KEY DATE

☿ Mercury stations Retrograde

When *Mercury* stations retrograde, **communication breakdowns and misunderstandings** become noticeably more common in daily life. Emails get lost, conversations get tangled, and people often need to **repeat themselves or clarify** what they meant the first time around. Travel plans, contracts, and tech devices tend to **glitch or require fixes**, so most people find themselves troubleshooting problems they thought were already solved.

KEY TRANSIT FACTORS

☾ Moon qx Quincunx ♀ natal Venus ★

Right now your emotional needs and what you want from relationships are pulling in different directions, and you feel the mismatch. You might feel **restless in social situations** or notice you're not getting satisfaction from the usual things that comfort you. Over the coming weeks, this awkwardness will fade, but for now it's worth noticing what feels off instead of forcing connection.

☾ Moon qx Quincunx ♄ natal Saturn ★

These days you feel out of sync between what you need emotionally and what your responsibilities demand. You might notice yourself **starting tasks but struggling to finish them**, or feeling irritable when practical obligations interrupt your mood. This awkward gap between your feelings and your duties will pass in a few days, but right now it's making small decisions feel surprisingly complicated.

♅ Uranus □ Square ♊ natal NNode

You feel restless about the direction you have been heading and suddenly want to break away from familiar patterns, even though people around you expect you to stay the course. This **urge to rebel against your own commitments** creates real friction in your relationships and work right now. Over the coming weeks, you will need to figure out whether you are running from something real or just chasing change for its own sake.

♂ Mars △ Trine ♊ natal NNode

You're finding it easier to take action on things that actually matter to you right now. **You move forward with less self-doubt**, and people respond well to your directness and confidence. Over the coming weeks, opportunities show up because you're willing to try things that align with what you genuinely want.

♇ Pluto □ Square ♅ natal Uranus

Right now you feel a strong urge to break free from something in your life, but the harder you push for change the more resistance you meet. You become **impatient with rules and frustrated by limits**, which can make you act rashly or damage relationships you actually want to keep. Over the coming weeks, focus on understanding what you really want to change before you make moves you cannot easily take back.

☿ Mercury Rx · ☿ Cancer

Your thinking turns inward and emotionally colored during this period, making objective analysis harder. Past conversations or unresolved family matters resurface and demand attention. Revisiting emotional decisions is more useful now than making new ones while this lasts.

☉ Sun ∟ Semi sextile ♃ Jupiter

These days you feel a bit more **optimistic about your abilities** and willing to take on new projects. Small wins come easier right now because you're not overthinking things or waiting for perfect conditions. This is a good time to start something you've been putting off, since your confidence has a gentle boost and you're likely to see early progress.

☉ Sun □ Square ♄ Chiron

Right now you are more aware of your own weak spots and past hurts, which makes it harder to feel confident in what you're doing. You might find yourself **second-guessing your choices** or feeling like you're not good enough, even when you're performing well. This psychological self-doubt is temporary, but it takes real effort to push through it and keep moving forward.

☉ Sun * Sextile ♃ NNode

Right now you find it easier to **say yes to opportunities that feel natural** instead of forcing yourself into situations that do not fit you. People around you notice you are more relaxed about taking small steps forward, and you move with less self-doubt. This period supports you in choosing what actually matches who you are becoming, rather than chasing what you think you should want.
