## KEY TRANSIT FACTORS

### ☉ Sun ☾ Semi sextile ♀ Venus ★

Right now you find it easier to notice what you like about people around you, and that makes your social interactions feel smoother. You're more likely to **compliment someone without overthinking it** or suggest doing something enjoyable together. This isn't a dramatic shift, but these days small acts of kindness and warmth come more naturally to you.

### ☿ Mercury ☐ Square ♂ natal Mars

Right now your thoughts move faster than your patience, and you're more likely to say things you'll regret in arguments or heated conversations. **You interrupt people, contradict them quickly, and struggle to listen** without jumping in with your own point. These next couple of weeks will test your ability to slow down before you speak, because your natural instinct is to react fast and hard.

### ♇ Pluto ☐ Square ☉ natal Sun

You're feeling **unusually defensive about who you are** and what you believe in right now. People seem to be challenging your authority or questioning your choices in ways that sting more than usual, and you find yourself either backing down or pushing back harder than makes sense. Over the coming weeks, you'll need to watch whether you're holding your ground for real reasons or just because someone rattled you.

### ♃ Jupiter ☾ Semi sextile ♂ natal Mars

Over the coming weeks, you'll notice yourself **taking action on plans you've been sitting on** without the usual self-doubt. You feel more confident when you push forward on practical tasks, and small wins come easier than usual. This is a good time to start that project or have conversations you've been putting off, because your natural momentum is working in your favour right now.

### ♀ Venus ☽ Trine ♇ natal Pluto

Right now you're drawn to people and situations that feel genuinely authentic, and others pick up on this **magnetic honesty** in how you show up. Your practical ability to read what someone really needs, beneath the surface, makes your relationships deepen without effort. Over the coming weeks, this natural pull toward real connection can help you attract people or opportunities that actually align with who you are.

### ☾ Moon ☐ Square ♊ natal NNode

Right now you feel caught between what you want emotionally and what you know you should be doing with your time. You become **restless and impatient** with routines or commitments that once felt important, which makes it hard to focus on practical tasks. Over the coming weeks, expect friction between your immediate feelings and your longer-term direction until this lunar moment passes.

## ♀ Venus Rx · ♈ Aries

Relationships feel competitive or impatient right now, and old romantic patterns tend to resurface. Impulsive decisions about love, money, or self-presentation made during this period often need correction afterward. What feels like a fresh start now is more likely a return to something unresolved.

## ♂ Mars Rx · ♐ Sagittarius

The drive to expand, travel, or pursue big goals hits practical obstacles during this period. Restlessness and impatience with limitations are higher than usual, but action taken from frustration tends to misfire. Reviewing your longer-term direction is more rewarding now than forcing movement toward it.

## ♃ Jupiter Rx · ♍ Virgo

The expansion of practical systems, health routines, and work habits slows during this period in ways that demand honest assessment. Growth that has been accumulating may need to be reviewed for sustainability. Quality over quantity in your work and health practices rewards you more right now.

## ☉ Sun ∟ Semi sextile ♄ Chiron

These days you find it easier to **notice what actually bothers you instead of ignoring it**. This small shift in self-awareness means you can address practical problems before they get worse. The *Sun* and *Chiron* aspect right now creates a quiet window where you see yourself more clearly and can make real changes.

## ☾ Moon □ Square ♂ Mars

These days you're more likely to act on frustration before you think it through, and small annoyances can feel urgent and demanding. **Your emotional reactions move faster than your good judgment**, so conversations with others can turn sharp or heated quickly. This period pushes you to notice the gap between what you feel and what actually needs to happen right now.
