KEY TRANSIT FACTORS

♂ Mars ☐ Quincunx ♆ natal Neptune

Over the coming weeks, you'll notice your practical plans running up against situations where the details don't quite fit your expectations. You're more likely to act on incomplete information right now, which means you'll need to stop partway through and adjust course. The mismatch between what you want to do and what's actually possible will frustrate you until you accept that some guesswork is part of the process.

♁ Chiron ☐ Square ♄ natal Saturn

Right now you're noticing where you've built walls to protect yourself, and those same walls are making you feel trapped and isolated. You become **more critical of yourself and others**, expecting failure before you even try, which makes it harder to reach out or take reasonable risks. Over the coming weeks, this period pushes you to examine whether your caution is actually keeping you safe or just keeping you small.

♀ Venus △ Trine ♆ natal Neptune

These days you find it easier to **connect with people on a softer level**, and they respond well to your gentleness. Your romantic life or close relationships feel more fluid right now, with less friction and more natural understanding between you and others. Over the coming weeks, your appreciation for beauty and comfort also tends to make everyday moments feel a bit more pleasant.

♃ Jupiter ☐ Square ♃ natal Mercury

Your mind is working faster than your mouth right now, and people find you hard to follow. You jump between ideas, interrupt conversations, and make promises you cannot keep because you are overestimating what you can handle. The gap between what you think you can do and what is actually realistic will create real problems at work or in your relationships over the coming weeks.

♁ Chiron * Sextile ☉ natal Sun

Right now you are more willing to **talk honestly about your mistakes and learn from them** without getting defensive or ashamed. This period gives you the practical ability to see where you have struggled and turn that into useful knowledge about yourself. Over the coming weeks, people around you will notice you handle feedback better and recover faster from setbacks.

☉ Sun ☐ Square ☾ Moon

Right now your gut feelings and your sense of purpose are pulling in opposite directions. You might feel irritated with people close to you without knowing exactly why, or snap at someone when you meant to stay calm. This friction between what you want to do and what feels emotionally safe can push you to make real changes, but only if you stop and actually listen to both sides instead of just reacting.

☉ Sun ♂ Conjunction ♿ Mercury

These days your mind feels clearer and you're more likely to speak up about what you actually think. **You say things more directly** and people tend to listen because you sound confident. This is a practical time to have conversations you've been putting off or to explain yourself without second-guessing every word.

☉ Sun ♀ Opposition ♅ Uranus

Right now you feel a strong urge to break free from rules or routines that usually work fine, and this creates real friction with people around you. You might act impulsively or reject advice you would normally follow, making **sudden decisions without thinking through the practical consequences**. This period brings frustration because what you want to do conflicts with what actually needs to happen, and ignoring either side leaves you stuck.

LUNAR DAY

Moon in ♌ Leo · Day 8 / 30 · First Quarter

The social atmosphere becomes more expressive these days, with people more willing to share opinions and put themselves forward. The need to feel appreciated surfaces in small ways — a slower response to criticism, a stronger preference for being noticed.

CLOTHING & JEWELRY
