KEY DATE

☿ Mercury stations Retrograde

When *Mercury* stations retrograde, **communication breakdowns and misunderstandings** become noticeably more common in daily life. Emails get lost, conversations get tangled, and people often need to **repeat themselves or clarify** what they meant the first time around. Travel plans, contracts, and tech devices tend to **glitch or require fixes**, so most people find themselves troubleshooting problems they thought were already solved.

KEY TRANSIT FACTORS

♄ Saturn ∟ Semi sextile ♂ natal Mars ★

Right now you're noticing that your efforts produce real results without requiring you to push as hard as usual. **You're working more efficiently**, and tasks that normally frustrate you feel manageable because you're approaching them with more patience than typical. Over the coming weeks, this steady support from *Saturn* to your *Mars* makes it easier to follow through on commitments without burning out.

♄ Saturn ♂ Conjunction ♀ natal Venus ★

You are more cautious about what you want from people right now, and you may pull back from social situations that feel superficial or demanding. Your **standards for who and what you let close become stricter**, which can feel isolating but also clarifies what actually matters to you. Over the coming weeks, relationships either deepen through honest conversation or naturally fade as you stop overextending yourself.

♄ Saturn ∟ Semi sextile ☉ natal Sun ★

Right now you find it easier to follow through on commitments without burning out, because a quiet steadiness is backing your efforts. Your confidence stays realistic instead of swinging between overconfidence and doubt, which means you make **fewer impulsive decisions** and actually stick to what matters. This is a practical window where showing up consistently—at work, in your relationships, or on personal goals—feels natural and manageable rather than forced.

♃ Jupiter ☐ Square ♇ natal Pluto

Right now you're pushing harder on situations that resist you, and the harder you push the more they push back. You're likely **overestimating how much control you actually have** over people or circumstances that operate by their own rules. Over the coming weeks this friction will either force you to step back and accept limits, or exhaust you trying to prove a point that doesn't need proving.

♂ Mars ♂ Conjunction ♀ natal Venus

While this lasts, you feel a **stronger pull toward people and activities that excite you** — you're more direct about what you want and less willing to wait around. Your physical attraction to others sharpens, and you're quicker to pursue relationships or make moves in your social life. Over the coming weeks, watch whether this directness helps you connect or whether you're pushing too hard before you know what you actually want.

☿ Mercury Rx · ♊ Gemini

Information overload and communication mix-ups are more likely right now than at other times. You may find yourself re-reading, misunderstanding, or having to repeat conversations that should have been straightforward. Slow down with written communications in particular — errors sneak through when you feel most certain.

☉ Sun △ Trine ☾ Moon

These days you find it easier to know what you actually want and to ask for it without overthinking. Your emotional reactions line up with your real goals, so you move forward without fighting yourself. This is a good time to make decisions or have conversations because you sound genuine and people respond well to that.

☿ Mercury qx Quincunx ♂ Uranus

Your mind feels restless right now, jumping between ideas faster than you can finish a sentence. You say things without thinking them through and then realize halfway through that your words don't quite land the way you meant them to. This awkward mismatch between what you're thinking and what actually comes out creates **confusion in conversations**, so double-checking your messages before sending them actually helps.

♀ Venus ♂ Conjunction ♃ Jupiter

Right now you are more **generous with money and attention**, and you want to spend time with people who matter to you. This is a practical window where saying yes to social invitations or spending on something you want feels natural and easy. *Venus* and *Jupiter* together tend to open people up, so expect others around you to be warmer and more willing to help.

LUNAR DAY

Moon in ♍ Virgo · Day 10 / 30 · First Quarter

Attention sharpens on what is not working right now — small errors and inefficiencies become harder to ignore than usual. **The tendency to organize, correct, and refine** runs stronger for the next day or two, sometimes at the cost of the bigger picture.
