## KEY DATE

### ♁ Chiron stations Retrograde

Chiron stationing retrograde tends to bring **old wounds or insecurities back into focus**, making you notice patterns you thought you'd moved past—in relationships, work, or how you handle rejection. During this period, **progress on healing or learning slows down**, and you may find yourself revisiting past failures or setbacks rather than moving forward with new skills or confidence. In practical terms, this is a good time to **review what didn't work before** and adjust your approach, though expect frustration if you're trying to push ahead quickly.

## KEY TRANSIT FACTORS

### ☉ Sun \* Sextile ♂ Mars \*

Right now you find it easier to **take action on things you actually want** instead of sitting with them in your head. Your motivation and your confidence are aligned, so when you decide to do something, your body follows without the usual resistance. This is a practical window for starting projects, having difficult conversations, or pushing through work that needs momentum.

### ♁ Chiron qx Quincunx ♆ natal Neptune

Right now you are noticing gaps between what you believe about yourself and how you actually behave in stressful moments. You might find yourself **acting more defensively or withdrawn than you expect**, especially when someone questions your motives or judgment. These days the disconnect feels awkward rather than painful, but it is pushing you to pay closer attention to where your ideals do not match your real actions.

### ♁ NNode Δ Trine ♅ natal Uranus

Over the coming weeks, you find it easier to **break free from routines that no longer fit** without feeling guilty or reckless. Your instinct for what needs to change aligns naturally with the directions your life is actually moving, so small rebellions feel honest rather than impulsive. This is a good window to experiment with new approaches to work or friendships and trust that the timing is right.

### ☾ Moon Δ Trine ♁ natal Chiron

Over the coming weeks, you find it easier to talk about things that normally feel difficult or embarrassing. Your **natural openness right now makes it safer to be honest with trusted people** about insecurities or past hurts. This temporary softness in how you approach your own pain means conversations become less defensive and more genuine.

### ♂ Mars Δ Trine ♁ natal Chiron

Right now you have a **straightforward ability to talk about your past hurts without falling apart**, which makes this a good window for honest conversations with people who matter. You're less defensive than usual, so you can actually listen when someone gives you feedback instead of shutting down. Over the coming weeks, this practical confidence means you can take real steps to fix old patterns rather than just thinking about them.

☉ Sun \* Sextile ♃ natal Jupiter

You're feeling more confident about your abilities right now, and you're probably taking on projects or conversations you might normally avoid. Your natural optimism is working in your favor — people respond well to your **straightforward, encouraging attitude**, and doors tend to open more easily. Over the coming weeks, trust this momentum to try something new or pitch an idea you've been sitting on.

☉ Sun \* Sextile ☾ Moon

These days you find it easier to know what you actually want and then act on it without second-guessing yourself. Your **practical needs and your emotional needs are pointing in the same direction**, so decisions feel less confusing. This alignment between the Sun and Moon means you can move forward with both confidence and peace of mind.

☉ Sun ∟ Semi sextile ♿ Mercury

These days you find it easier to **say what you actually think** without overcomplicating things or getting stuck in your own head. Your mind and sense of purpose line up naturally, so explaining yourself to others feels straightforward rather than exhausting. This is a good window for conversations, presentations, or decisions where you need to be both clear and confident about what matters to you.

LUNAR DAY

Moon in ♊ Gemini · Day 25 / 30 · Last Quarter

**Social activity picks up** for the next day or two, with conversations starting easily but rarely staying on one topic. A general restlessness makes it harder to finish tasks or sit with one idea long enough to go deep.

CLOTHING & JEWELRY
