## KEY TRANSIT FACTORS

### ♆ Neptune \* Sextile ♁ natal Chiron

These days you find it easier to talk about things that have hurt you in the past without getting stuck in the story. You're **more willing to listen to others' pain** without trying to fix it or turn it into advice. This shift happens naturally right now, making conversations with people you care about feel more genuine and less exhausting.

### ♃ Jupiter ☐ Square ♆ natal Neptune

Right now you are **overestimating what you can achieve** and making promises you cannot keep. Your optimism is running ahead of reality, and you may find yourself committed to projects or goals that are actually beyond your practical reach. Over the coming weeks, disappointment will follow when you realize the gap between what you imagined and what is actually possible.

### ♇ Pluto ☌ Conjunction ♁ natal Chiron

You are becoming aware of old hurts or weak points in yourself that you have carried for years without noticing them much. **You feel motivated to examine these painful patterns closely** rather than ignore them as you normally do. This psychological pressure can be uncomfortable right now, but it is showing you exactly where you need to do real work on yourself over the coming weeks.

### ☉ Sun ☌ Semi sextile ♃ natal Jupiter

You feel **quietly more confident** about what you want to achieve right now, and small opportunities seem to show up without much effort on your part. Your mood is steadier than usual, and you find yourself saying yes to social or professional chances that normally would make you hesitant. Over the coming weeks, this sense of gentle support can help you move forward on something you've been thinking about.

### ♂ Mars \* Sextile ♆ natal Neptune

You find it easier right now to **turn your ideas into actual plans** without getting bogged down in details or self-doubt. Your practical side and your imagination are working together instead of pulling in different directions. Over the coming weeks, you can make real progress on creative or personal projects that usually feel too vague or difficult to start.

### ♃ Jupiter Rx • ♋ Cancer

Emotional generosity and the expansion of close bonds may feel less available right now. Past connections, family relationships, or unresolved emotional commitments return to the foreground. Honest reflection on where your genuine care and loyalty are directed yields more than performing warmth you do not feel.

### ☉ Sun ☌ Conjunction ♅ Uranus

At the moment, you feel **restless and impatient with routines that normally work fine**. You might suddenly want to change something about how you look, where you work, or how you spend your time, even if there's no real problem. This push to break free or do something different is normal right now, so notice what you actually want to change versus what's just nervous energy looking for an outlet.

### ☉ Sun ☌ Semi sextile ♆ Neptune

These days you find it easier to **imagine things before you build them**, whether that's a project at work or how you want your living space to feel. The subtle connection between *Sun* and *Neptune* softens your usual need to rush into action, giving your practical plans a touch of creativity. This is a good time to sketch out ideas, talk through your vision with others, or sit with half-formed thoughts without needing immediate answers.

### ☉ Sun ☌ Semi sextile ♇ Pluto

These days you have a quiet **ability to notice what really matters** underneath surface conversations and behaviour. Your psychological instincts are sharper than usual, so you pick up on unspoken feelings in others and respond with genuine understanding. This minor aspect between *the Sun* and *Pluto* gives you a practical advantage in conversations where honesty counts.

## LUNAR DAY

---

Moon in ♎ Libra · Day 28 / 30 · Waning Crescent

**The social atmosphere becomes more diplomatic** during this transit, with more care taken to avoid unnecessary friction. Decisions slow down as multiple perspectives get weighed, and outright conflict feels harder to initiate than usual.
