KEY DATE

♁ Lilith enters ♍ Virgo

Lilith in *Virgo* brings a **sharp eye for detail** and **impatience with sloppy work** — you'll notice people becoming harder to please about standards, whether their own or others'. In relationships and at work, this transit pushes toward **calling out inconsistencies** rather than letting things slide, which can feel refreshing or uncomfortable depending on who's doing it. Most people find themselves wanting **practical fixes over reassurance**, so expect less tolerance for vague promises and more demands for concrete plans and real results.

KEY TRANSIT FACTORS

♄ Saturn ∠ Semi sextile ♇ natal Pluto

You're finding it easier right now to **follow through on difficult decisions** without second-guessing yourself. The practical support between *Saturn* and *Pluto* gives you the kind of quiet confidence that lets you stick with tough changes once you've committed to them. Over the coming weeks, you'll notice you're less likely to get pulled back into old patterns because you've actually built something solid to replace them.

☾ Moon qx Quincunx ♂ natal Mars

Right now your emotional needs and your desire to act are out of step with each other. You might feel frustrated because you want to do something but your mood keeps pulling you in a different direction, or you start projects when you are not actually ready for them. This **awkward mismatch between feeling and doing** tends to fade over the coming weeks, but while it lasts you will work better if you check in with yourself before pushing forward.

♂ Mars * Sextile ♇ natal Pluto

Over the coming weeks, you'll notice you can **push through obstacles without burning out** — your drive feels focused rather than reckless. You're likely tackling something you've been avoiding, whether it's a difficult conversation or a project that requires real commitment. This period gives you the psychological clarity to act on your deeper goals without the usual self-doubt getting in the way.

☉ Sun □ Square ♃ natal Jupiter

These days you are **overestimating what you can accomplish** and taking on too much at once. You feel confident and expansive, but your actual capacity has not changed, so you end up stretched thin and frustrated when reality does not match your ambitions. The gap between your optimism and your real limitations creates practical problems at work or in your commitments that take weeks to sort out.

☉ Sun ∠ Semi sextile ♅ natal Uranus

These days you feel **more willing to try new approaches** without forcing big changes or making yourself uncomfortable. You notice small opportunities to do ordinary things differently, and they actually work out. This is a good time to test small experiments in your work or routines because your usual caution is relaxed just enough to let you be flexible.

☉ Sun ☌ Semi sextile ♃ Jupiter

These days you feel a bit more **optimistic about your abilities** and willing to take on new projects. Small wins come easier right now because you're not overthinking things or waiting for perfect conditions. This is a good time to start something you've been putting off, since your confidence has a gentle boost and you're likely to see early progress.

☉ Sun △ Trine ♅ Uranus

Right now you feel comfortable taking risks that normally make you anxious, and **you speak up about ideas you'd usually keep quiet**. Other people seem more receptive to what you have to say, and conversations naturally veer toward what could happen instead of what has always happened. This is a good time to propose changes at work, try something new socially, or make a practical decision you've been putting off.

☉ Sun ☿ Quincunx ♆ Neptune

These days you might notice a gap between what you're trying to accomplish and what actually feels right to you. Your practical plans can feel oddly disconnected from your gut feelings, leaving you **uncertain about which direction to trust**. This mismatch between doing and feeling tends to make decision-making slower and more confusing than usual.

LUNAR DAY

Moon in ♑ Capricorn · Day 16 / 30 · Full Moon
