KEY TRANSIT FACTORS

♄ Saturn ∟ Semi sextile ♂ natal Mars ★

Right now you're noticing that your efforts produce real results without requiring you to push as hard as usual. **You're working more efficiently**, and tasks that normally frustrate you feel manageable because you're approaching them with more patience than typical. Over the coming weeks, this steady support from *Saturn* to your *Mars* makes it easier to follow through on commitments without burning out.

♀ Venus qx Quincunx ☾ natal Moon ★

Over the coming weeks, you may find your usual way of showing affection feels slightly off or awkward. You might want closeness but struggle to express it in ways that actually land with the people you care about. Small adjustments to how you approach relationships will help you feel more comfortable.

♀ Venus ∟ Semi sextile ☉ natal Sun ★

These days you feel **more comfortable being yourself around others**, and people respond well to that ease. You're not trying as hard to impress anyone, which actually makes your conversations flow better and your relationships feel less strained. This small shift in *Venus* supporting your *Sun* won't solve everything, but it gives you a genuine advantage in how you present yourself while it lasts.

☾ Moon □ Square ☉ natal Sun

Right now you're feeling **irritable with the people closest to you**, even when they haven't done anything wrong. Your mood swings are making it hard to stick to your normal routines, and small frustrations at work or home feel much bigger than they actually are. These next few days or weeks will test your patience, but once this passes you'll see more clearly what actually bothers you and what doesn't.

♃ Jupiter ∟ Semi sextile ♃ natal Jupiter

Over the coming weeks, you'll notice a quiet **boost in your confidence about making decisions** that affect your future. Small opportunities or lucky breaks show up without you having to push hard for them, and you feel more willing to say yes to them. This is *Jupiter* giving your natural optimism a gentle lift, so take advantage of any openings that match what you actually want right now.

☉ Sun ♂ Conjunction ☿ Mercury

These days your mind feels clearer and you're more likely to speak up about what you actually think. **You say things more directly** and people tend to listen because you sound confident. This is a practical time to have conversations you've been putting off or to explain yourself without second-guessing every word.

› Moon △ Trine ♀ Venus

These days you find it easier to tell people what you actually feel without worrying they will reject you. Your emotional needs and your desire for connection are **naturally aligned**, so you speak up when something matters instead of staying quiet. This is a good window to have conversations you have been putting off or to spend time with people who make you feel genuinely accepted.

› Moon ♂ Opposition ♄ Saturn

Right now you feel like people around you are pulling away or becoming more critical, and it's hard not to take it personally. **You're more aware of what you're lacking** — your mistakes feel bigger, your efforts feel smaller, and reassurance from others doesn't stick. These days the emotional support you need feels distant or conditional, so you're likely to withdraw or work harder to prove yourself, which only makes the heaviness worse.

LUNAR DAY

Moon in ♋ Pisces · Day 17 / 30 · Full Moon

The boundary between personal and environmental moods blurs during this transit, making it easy to absorb the emotional state of whoever is nearby. Imagination and sensitivity both run higher, while clarity of thought and decision-making run lower for the next 48 hours.
