KEY TRANSIT FACTORS

♃ Jupiter * Sextile ☾ natal Moon ★

Right now you feel **more at ease with what you're feeling**, and that ease spreads to how you treat the people around you. You're quicker to laugh, more patient with complaints from family or friends, and you actually listen instead of just waiting for your turn to talk. Over the coming weeks, this emotional looseness often leads to real conversations that improve your relationships or help someone feel heard by you.

☉ Sun * Sextile ♂ Mars ★

Right now you find it easier to **take action on things you actually want** instead of sitting with them in your head. Your motivation and your confidence are aligned, so when you decide to do something, your body follows without the usual resistance. This is a practical window for starting projects, having difficult conversations, or pushing through work that needs momentum.

♀ Venus △ Trine ♂ natal Mars

These days you find it easier to ask for what you want without coming across as aggressive or demanding. Your **natural confidence** is backed by genuine warmth, so people respond well when you take initiative in social or romantic situations. Over the coming weeks, this combination of directness and charm works in your favor, making it simpler to move forward on practical goals while keeping relationships smooth.

☉ Sun □ Square ♁ natal Pluto

Right now you are **pushing hard against people or situations that feel controlling**, and this is likely to create real friction in your relationships and work. You may notice you are more irritable than usual, especially when someone challenges your authority or when you feel your independence is being threatened. Over the coming weeks, this friction will either force you to set clearer boundaries or lead you into unnecessary conflicts that exhaust you.

♁ Lilith ♂ Conjunction ♁ natal Lilith

Right now you're more aware of where you've been bending yourself to fit in with others, and you feel less willing to do it. You're noticing situations where you've accepted less than you want, and **you're more likely to speak up or remove yourself instead of staying quiet**. Over the coming weeks, expect friction in relationships or settings where you've historically compromised on what matters to you.

♆ Neptune ♂ Opposition ☉ natal Sun

Right now you are **doubting your own judgment** and struggling to see yourself clearly. You may act in ways that confuse people or that you later regret because your sense of who you are has become fuzzy. This confusion will pass, but while it lasts you need to slow down on big decisions and check your choices with someone you trust.

☉ Sun * Sextile ☾ Moon

These days you find it easier to know what you actually want and then act on it without second-guessing yourself. Your **practical needs and your emotional needs are pointing in the same direction**, so decisions feel less confusing. This alignment between the Sun and Moon means you can move forward with both confidence and peace of mind.

☾ Moon Δ Trine ♂ Mars

Right now you feel like acting on what matters to you instead of overthinking it. **Your emotions and your willingness to do things are working together**, so a project you've been hesitant about suddenly feels doable. These days small tasks get done faster and conversations feel easier because you're not second-guessing yourself.
