KEY TRANSIT FACTORS

☿ Mercury ☌ Semi sextile ☾ natal Moon

Your thoughts become more **aligned with what you actually feel** right now, so conversations flow more naturally and people respond well to you. You find it easier to put emotions into words without overthinking, which makes social interactions feel less exhausting. This small shift makes everyday exchanges with friends and family go smoother than usual over the coming weeks.

☾ Moon ☌ Quincunx ♂ natal Mars

Right now your emotional needs and your desire to act are out of step with each other. You might feel frustrated because you want to do something but your mood keeps pulling you in a different direction, or you start projects when you are not actually ready for them. This **awkward mismatch between feeling and doing** tends to fade over the coming weeks, but while it lasts you will work better if you check in with yourself before pushing forward.

♃ Jupiter ☌ Conjunction ♁ natal Lilith

Over the coming weeks, you're likely to feel more **willing to ignore rules that don't make sense to you**. You might speak up in situations where you'd normally stay quiet, or push back against expectations that feel unfair. This boldness can open doors, but it can also create friction if you're not careful about who you're confronting.

♁ Chiron ☌ Semi sextile ☉ natal Sun

These days you notice you can **talk about your own difficulties without shame**, which makes people trust you more easily. Your willingness to be honest about what you have struggled with gives others permission to do the same, and conversations become more real. This openness creates small moments of connection that feel genuinely supportive on both sides.

♀ Venus ☌ Trine ♃ natal Jupiter

Over the coming weeks, you find it easier to feel **generous and optimistic** about what you have and what you want. People respond well to you right now because you come across as warm and genuinely interested in them. This is a good time to ask for what you need or to strengthen the relationships that matter most to you.

☿ Mercury Rx · ♑ Capricorn

Professional communications and career-related decisions are prone to misalignment right now. Contracts, applications, or plans that seemed finalized may need revisiting before they are acted on. The careful checking you do now prevents public errors later.

☉ Sun * Sextile ☾ Moon

These days you find it easier to know what you actually want and then act on it without second-guessing yourself. Your **practical needs and your emotional needs are pointing in the same direction**, so decisions feel less confusing. This alignment between the *Sun* and *Moon* means you can move forward with both confidence and peace of mind.

☉ Sun ☌ Semi sextile ☿ Mars

These days you feel **motivated to take small steps forward** without forcing things or burning out. Your practical energy matches what you actually want to do right now, so starting a project or having a difficult conversation feels less exhausting than usual. This is a good window to build momentum on something you care about while the effort still feels natural.

☉ Sun ☌ Semi sextile ♆ Neptune

These days you find it easier to **imagine things before you build them**, whether that's a project at work or how you want your living space to feel. The subtle connection between *Sun* and *Neptune* softens your usual need to rush into action, giving your practical plans a touch of creativity. This is a good time to sketch out ideas, talk through your vision with others, or sit with half-formed thoughts without needing immediate answers.

LUNAR DAY

Moon in ♋ Pisces · Day 5 / 30 · Waxing Crescent

The boundary between personal and environmental moods blurs during this transit, making it easy to absorb the emotional state of whoever is nearby. Imagination and sensitivity both run higher, while clarity of thought and decision-making run lower for the next 48 hours.
