KEY TRANSIT FACTORS

♊ NNode ☌ Conjunction ☉ natal Sun ★

Right now you feel **pulled toward doing things that matter to you personally**, even if they're not what others expect. You notice you care less about fitting in and more about showing up as yourself in conversations and decisions. Over the coming weeks, this shift might create friction in relationships where you've usually compromised, but it also clarifies what you actually want.

♊ NNode ☌ Opposition ☾ natal Moon ★

Over the coming weeks, you feel **pulled between what makes you feel safe and what people around you actually need from you**. Your instinct is to retreat into familiar comfort, but others are asking you to show up differently, and ignoring them creates real tension in your relationships. This clash between your emotional habits and external demands won't resolve quickly, but it will force you to recognize which patterns no longer serve anyone.

☉ Sun ☌ Semi sextile ♀ Venus ★

Right now you find it easier to notice what you like about people around you, and that makes your social interactions feel smoother. You're more likely to **compliment someone without overthinking it** or suggest doing something enjoyable together. This isn't a dramatic shift, but these days small acts of kindness and warmth come more naturally to you.

♆ Neptune ☌ Trine ♂ natal Mars

Right now you find it easier to act on your creative ideas without overthinking or second-guessing yourself. Your usual need to charge ahead gets **softened by intuition**, so you pick up on what others actually need instead of just pushing your own agenda. Over the coming weeks, this blend of confidence and sensitivity means you can get things done while keeping people around you feeling heard.

♇ Pluto * Sextile ♂ natal Mars

You're finding it easier to act on what you actually want without second-guessing yourself or getting tangled up in other people's opinions. Your **willingness to take direct action** feels natural and purposeful, whether you're starting a project, having a difficult conversation, or making a change you've been putting off. Over the coming weeks, this clarity and confidence in your own decisions will help you move forward on things that matter to you.

♂ Mars ☌ Quincunx ☾ natal Moon

Over the coming weeks, you may feel **restless in ways that don't match what you actually want to do**. Your emotional needs and your impulse to act keep pulling in different directions, leaving you frustrated or unsure which one to follow. This awkward timing usually passes, but while it lasts you might notice yourself starting things and stopping them, or feeling irritated that people aren't moving at your pace.

☉ Sun △ Trine ♅ Uranus

Right now you feel comfortable taking risks that normally make you anxious, and **you speak up about ideas you'd usually keep quiet**. Other people seem more receptive to what you have to say, and conversations naturally veer toward what could happen instead of what has always happened. This is a good time to propose changes at work, try something new socially, or make a practical decision you've been putting off.

☾ Moon □ Square ♂ Mars

These days you're more likely to act on frustration before you think it through, and small annoyances can feel urgent and demanding. **Your emotional reactions move faster than your good judgment**, so conversations with others can turn sharp or heated quickly. This period pushes you to notice the gap between what you feel and what actually needs to happen right now.
