KEY TRANSIT FACTORS

♊ NNode ☌ Conjunction ♅ natal Uranus ★

These days you feel a stronger pull toward **breaking your usual routines and trying something unconventional**. You might suddenly want to change how you work, spend time with different people, or reject habits that no longer feel right. This period pushes you to act on independence impulses that have been sitting quietly in the background.

☉ Sun ☌ Opposition ☉ natal Sun

Right now you're running into **resistance from other people** when you try to assert yourself or push forward with your own plans. Others seem to want the opposite of what you want, and you feel like you're constantly having to defend your position or compromise. This period is showing you where your needs clash with those around you, and it's exhausting to navigate that friction every day.

♅ Uranus △ Trine ♇ natal Pluto

You find yourself **taking practical action on changes you've wanted to make** without getting stuck in overthinking or self-doubt. This period brings a natural confidence that old patterns no longer serve you, so you move forward with less resistance than usual. Over the coming weeks, you're more likely to follow through on those shifts you've been planning instead of just talking about them.

♀ Venus □ Square ♇ natal Pluto

Right now you may feel drawn into relationships or situations where you want more control than is realistic, and you become frustrated or resentful when you cannot have it. Your **need to dominate or possess** shows up in your romantic life and friendships, creating tension with people who sense your intensity. Over the coming weeks, this pattern will likely push others away unless you notice it and step back from trying to reshape them.

☾ Moon □ Square ♀ natal Venus

Right now you feel emotionally out of step with the people closest to you, making it hard to enjoy their company or feel appreciated by them. You may pick fights over small things or withdraw when you normally would reach out, leaving relationships feeling **strained and disconnected**. These days your mood swings can make you seem ungrateful or cold, even when that is not what you intend.

☉ Sun △ Trine ☾ Moon

These days you find it easier to know what you actually want and to ask for it without overthinking. Your emotional reactions line up with your real goals, so you move forward without fighting yourself. This is a good time to make decisions or have conversations because you sound genuine and people respond well to that.

☉ Sun ☌ Conjunction ♃ Jupiter

Right now you feel more confident about your abilities and less worried about what could go wrong. You are **more willing to take on bigger challenges** and speak up in situations where you normally stay quiet. This period tends to bring real opportunities your way because you are actually showing up differently, not because of luck.

› **Moon** △ **Trine** ♃ **Jupiter**

Right now you feel more **generous and open to others** than usual, and people pick up on that. You're more likely to say yes to plans, share what you have, and give people the benefit of the doubt. This is a practical time to strengthen relationships because you're not defensive or withdrawn.
