KEY TRANSIT FACTORS

♂ Mars * Sextile ♅ natal Uranus

Right now you find it easier to act on your unconventional ideas without overthinking them, and people respond well to your **refreshing directness**. You're willing to try new approaches at work or in your routines, and small experiments often lead somewhere useful rather than nowhere. This window won't last long, so these are good weeks to pitch that different idea or shake up something that's been stuck in the same pattern.

♅ Uranus ♋ Opposition ♅ natal Uranus

Right now you're feeling restless with your current situation and want to break free from something, but you're not sure what or how to do it safely. You might push back against rules or routines that actually serve you, or make sudden changes that create more instability rather than solving real problems. **The unpredictability cuts both ways** — while you crave more freedom, you're also becoming less reliable to the people who depend on you, and that friction is hard to avoid over the coming weeks.

♀ Venus * Sextile ♅ natal Uranus

Right now you find yourself more **willing to break your usual social patterns** and try something genuinely different. You might spontaneously say yes to an invitation that would normally make you hesitant, or you suddenly feel comfortable being yourself around people who usually intimidate you. This window of ease lasts only a few weeks, so these small social risks you take now can shift how you see yourself in relationships.

☾ Moon ♋ Quincunx ☾ natal Moon

At the moment your emotional reactions feel slightly out of step with what your surroundings actually call for. You might find yourself **feeling restless or defensive in situations that don't warrant it**, or staying calm when something genuinely bothers you. Over the coming weeks, small adjustments to how you respond—pausing before reacting, checking in with yourself about what you actually need—will smooth things out considerably.

♅ Uranus * Sextile ♃ natal Jupiter

These days you're spotting opportunities that other people miss, and you have the confidence to act on them without overthinking. You feel **more willing to take calculated risks** in practical matters like work or finances, and things that seemed impossible a few weeks ago suddenly feel doable. This is a good time to pitch ideas, pursue opportunities you've been curious about, or make changes that align better with what you actually want.

☉ Sun ♎ Semi sextile ♃ natal Jupiter

These days you feel a bit more **optimistic about your abilities** and willing to take on new projects. Small wins come easier right now because you're not overthinking things or waiting for perfect conditions. This is a good time to start something you've been putting off, since your confidence has a gentle boost and you're likely to see early progress.

☉ Sun * Sextile ♃ Neptune

Right now you find it easier to **notice what others need without them having to ask**, and people respond well to this attentiveness. Your practical decisions feel less rigid, and you can hold two opposite ideas at once without getting stuck. This period is good for creative work, counseling conversations, or any situation where you need to read between the lines.

☉ Sun Δ Trine ♇ Pluto

These days you find it easier to **face difficult truths about yourself without falling apart**. You can look at your mistakes and weaknesses directly, then decide what to actually change instead of avoiding the problem. This psychological clarity helps you make real improvements in how you work, relate to others, or handle money.

LUNAR DAY

Moon in ♉ Taurus · Day 7 / 30 · Waxing Crescent

The pace slows considerably during this transit as comfort and familiar surroundings take priority over efficiency. Resistance to change hardens, and any disruption to routine tends to provoke stubborn pushback.

CLOTHING & JEWELRY

Tuesday · ♂ Mars · Venus in Cancer

Tuesday is ruled by Mars — bold red, burgundy, or deep crimson channel the day's active energy. Ruby or garnet worn close to the body strengthens initiative and courage.
