KEY TRANSIT FACTORS

☾ Moon ☿ Opposition ♊ natal NNode ★

Right now you feel pulled toward what feels familiar and safe, which puts you at odds with what you actually need to develop. You may retreat into old habits or lean on people who reinforce your comfort zone instead of pushing you forward. This friction between what you want right now and what would genuinely help you grow will likely feel uncomfortable for the next week or two.

☾ Moon ☿ Opposition ☉ natal Sun ★

Right now you feel **pulled in opposite directions between what you want and what others need from you**. Your usual confidence takes a dip, and you second-guess decisions you would normally make without hesitation. These tensions with people around you are real—they're reflecting back something about what you're not giving yourself permission to want.

☾ Moon ☿ Opposition ♅ natal Uranus ★

Right now you feel restless and want to break free from routines that suddenly feel suffocating. Your **need for sudden change clashes with your actual responsibilities**, leaving you irritable with people who expect you to stay consistent. Over the coming weeks, small frustrations can escalate into conflict unless you find a practical outlet for this agitation.

☾ Moon ★ Sextile ♃ natal Jupiter ★

You feel **more generous and open to other people** right now, which makes conversations easier and helps you connect with others without overthinking things. Your mood is lighter, and you're more likely to say yes to social invitations or to help someone out without keeping score. This is a good window to ask for what you need or to approach someone you've been meaning to reach out to, because you come across as relaxed and genuinely interested in them.

☉ Sun ★ Sextile ♂ natal Mars ★

Right now you feel **purposeful and able to act on what matters to you**, and tasks that usually feel like a drag become easier to start. Your practical energy is flowing, so this is a good time to tackle projects at work or home that need your direct effort and attention. Over the coming weeks, you're likely to notice people respond better to your straightforward approach and genuine confidence.

♂ Mars Rx · ♑ Capricorn

Ambition is present but progress feels blocked or slowed in frustrating ways right now. Efforts toward professional goals seem to require more than they return during this period. Reassessing the methods you are using rather than simply increasing effort is the more productive response.

♄ Saturn Rx · ♐ Sagittarius

Beliefs that have been functioning as unexamined rules are being tested for their actual utility right now. Long-term plans based on optimistic assumptions may need grounding in more realistic evaluation. Honest review of what you have committed to — in education, philosophy, or travel — is more productive than continuing forward without looking back.

☉ Sun ☿ Quincunx ♄ Saturn

Right now you feel a mismatch between what you want to do and what seems practical or allowed. You might push forward with a plan only to run into a real obstacle that makes you reconsider, or hold back when you actually have a real opportunity. **This awkward timing between your drive and your responsibilities** means you cannot simply act on instinct—you need to adjust, compromise, or wait for better conditions.

☉ Sun ♁ Opposition ♆ Neptune

Right now you are **more likely to feel confused about what you actually want** because the gap between your real goals and your wishful thinking is wider than usual. You might make promises you cannot keep or agree to things without checking the practical details first. The emotional fog makes it harder to trust your own judgment, so this is a good time to ask someone else before you commit to anything important.

☉ Sun ▲ Trine ♇ Pluto

These days you find it easier to **face difficult truths about yourself without falling apart**. You can look at your mistakes and weaknesses directly, then decide what to actually change instead of avoiding the problem. This psychological clarity helps you make real improvements in how you work, relate to others, or handle money.
