## KEY TRANSIT FACTORS

### ☾ Moon \* Sextile ♃ natal Jupiter ★

You feel **more generous and open to other people** right now, which makes conversations easier and helps you connect with others without overthinking things. Your mood is lighter, and you're more likely to say yes to social invitations or to help someone out without keeping score. This is a good window to ask for what you need or to approach someone you've been meaning to reach out to, because you come across as relaxed and genuinely interested in them.

### ☉ Sun ∟ Semi sextile ♄ Saturn ★

These days you find it easier to stick with practical commitments without feeling weighed down by them. **You can be disciplined and follow through** on plans while still enjoying the process instead of resenting it. The light touch between *Sun* and *Saturn* means your natural confidence supports your ability to work steadily toward real goals.

### ♇ Pluto ∟ Semi sextile ♁ natal Chiron

Over the coming weeks, you notice you can **talk about past hurts without getting stuck in them**. People seem to listen differently when you speak, and you find yourself explaining your experiences in ways that actually help others understand you. This shift makes conversations feel lighter and more honest than usual.

### ♃ Jupiter \* Sextile ♀ natal Venus

These days you find it easier to say yes to social invitations and connect with people who matter to you. You feel **naturally generous** with your time and attention, which makes others want to be around you more. This period is ideal for deepening friendships, starting new relationships, or simply enjoying the company you keep without forcing anything.

### ☾ Moon △ Trine ☾ natal Moon

Right now you feel **emotionally settled** and less reactive to small annoyances that normally wind you up. People around you notice you're easier to be with because you're not second-guessing yourself or getting stuck in your own head. This window of *Moon* trine *Moon* support lasts a few weeks, so use it to handle conversations or decisions you've been putting off.

### ♃ Jupiter □ Square ♂ natal Mars

Right now you are more likely to **overcommit and overestimate what you can actually do**, which leaves you frustrated when reality doesn't match your ambition. Your impatience is higher than usual, so small delays or obstacles feel like major blocks, and you may snap at people or push harder than makes sense. Over the coming weeks, learning to slow down and check your assumptions before acting will help you avoid wasting energy on projects that won't actually work out.

### ☿ Mercury Rx • ♒ Aquarius

Technical systems, digital communications, and group coordination hit unexpected friction during this period. Plans made with communities or organizations may need revision, and innovative ideas benefit from reconsideration before being shared. Logic that felt solid on paper often reveals gaps when tested right now.

### ☉ Sun ♂ Conjunction ♿ Mercury

These days your mind feels clearer and you're more likely to speak up about what you actually think. **You say things more directly** and people tend to listen because you sound confident. This is a practical time to have conversations you've been putting off or to explain yourself without second-guessing every word.

### ☉ Sun ☐ Square ♂ Mars

Right now you feel **irritable and impatient** with anyone who moves slower than you want them to. Your frustration comes out quickly, and you might say things sharply or push for action before people are ready. This friction between what you want to do immediately and what actually needs to happen teaches you where your expectations don't match reality.
