KEY TRANSIT FACTORS

☉ Sun * Sextile ♂ Mars *

Right now you find it easier to **take action on things you actually want** instead of sitting with them in your head. Your motivation and your confidence are aligned, so when you decide to do something, your body follows without the usual resistance. This is a practical window for starting projects, having difficult conversations, or pushing through work that needs momentum.

☾ Moon ☐ Square ☾ natal Moon

Right now your **moods are harder to predict and manage**, making it difficult to know what you'll feel from one hour to the next. People close to you may seem off or demanding in ways that irritate you more than usual, and you might find yourself defensive instead of open. Over the coming weeks, this restless feeling will push you to notice what you actually need emotionally, even if the process feels uncomfortable.

♂ Mars △ Trine ♁ natal Chiron

Right now you have a **straightforward ability to talk about your past hurts without falling apart**, which makes this a good window for honest conversations with people who matter. You're less defensive than usual, so you can actually listen when someone gives you feedback instead of shutting down. Over the coming weeks, this practical confidence means you can take real steps to fix old patterns rather than just thinking about them.

☉ Sun ☉ Opposition ♁ natal Chiron

Right now you are more aware than usual of where you feel inadequate or broken, and this awareness can make you defensive or irritable with people close to you. You might **push others away just when you need support most**, or pick fights over small things that actually reflect your own self-doubt. This period asks you to notice this pattern without acting on it, but the discomfort will likely stick around for a few weeks while *the Sun* opposes your *Chiron*.

♁ Lilith ♂ Conjunction ♆ natal Neptune

These days you're more drawn to people and situations that feel emotionally intense or slightly forbidden, and you may **ignore practical warning signs** because the pull feels meaningful to you. Your usual ability to see through manipulation or deception gets softer right now, so you're more likely to believe what you want to believe about someone or something. Over the coming weeks, check your choices against what you actually know to be true, not just what feels compelling in the moment.

☿ Mercury ☉ Opposition ♁ natal Chiron

While this lasts, your **self-doubt gets louder when you try to speak up**, especially about topics you normally avoid. You find yourself replaying old conversations where you said the wrong thing or stayed silent when you should have talked. These days you're more likely to second-guess your own words before they leave your mouth, which makes genuine communication harder with people who matter to you.

☉ Sun ♂ Conjunction ♿ Mercury

These days your mind feels clearer and you're more likely to speak up about what you actually think. **You say things more directly** and people tend to listen because you sound confident. This is a practical time to have conversations you've been putting off or to explain yourself without second-guessing every word.

☉ Sun ♂ Conjunction ♀ Venus

These days you find it easier to ask for what you want and to say yes to invitations without overthinking. People around you respond well because you come across as **genuinely interested in them** rather than worried about how you look. This is a good window for making a request, starting a conversation you have been putting off, or simply enjoying company without the usual self-doubt getting in the way.

LUNAR DAY

Moon in ♋ Pisces · Day 28 / 30 · Waning Crescent

The boundary between personal and environmental moods blurs during this transit, making it easy to absorb the emotional state of whoever is nearby. Imagination and sensitivity both run higher, while clarity of thought and decision-making run lower for the next 48 hours.

CLOTHING & JEWELRY
