KEY TRANSIT FACTORS

☾ Moon ☿ Quincunx ♀ natal Venus ★

Right now your emotional needs and what you want from relationships are pulling in different directions, and you feel the mismatch. You might feel **restless in social situations** or notice you're not getting satisfaction from the usual things that comfort you. Over the coming weeks, this awkwardness will fade, but for now it's worth noticing what feels off instead of forcing connection.

☾ Moon ☿ Quincunx ♄ natal Saturn ★

These days you feel out of sync between what you need emotionally and what your responsibilities demand. You might notice yourself **starting tasks but struggling to finish them**, or feeling irritable when practical obligations interrupt your mood. This awkward gap between your feelings and your duties will pass in a few days, but right now it's making small decisions feel surprisingly complicated.

☾ Moon ☿ Opposition ☉ natal Sun ★

Right now you feel **pulled in opposite directions between what you want and what others need from you**. Your usual confidence takes a dip, and you second-guess decisions you would normally make without hesitation. These tensions with people around you are real—they're reflecting back something about what you're not giving yourself permission to want.

☾ Moon ☿ Opposition ♁ natal NNode ★

Right now you feel pulled toward what feels familiar and safe, which puts you at odds with what you actually need to develop. You may retreat into old habits or lean on people who reinforce your comfort zone instead of pushing you forward. This friction between what you want right now and what would genuinely help you grow will likely feel uncomfortable for the next week or two.

♃ Jupiter ∟ Semi sextile ♇ natal Pluto

While this lasts, you find yourself **willing to take small risks that push you past old limits**. You feel a quiet confidence in your ability to handle situations that normally feel too big or demanding, and you naturally start saying yes to opportunities you would have avoided before. Over the coming weeks, this steady courage tends to open doors that lead to real personal or professional growth.

☉ Sun ♂ Conjunction ♂ Mars

Right now you feel **more direct and willing to take action** on things you normally hesitate about. You're likely to speak up in conversations, push forward with a project, or make a decision you've been putting off. This practical confidence usually fades once the transit passes, so use it to handle what actually needs doing.

☉ Sun ☐ Square ♃ Jupiter

Right now you're likely **overestimating what you can handle** and taking on more than makes practical sense. *Sun* square *Jupiter* pushes you to act bigger and bolder than your actual circumstances support, which sets you up for overcommitment and disappointment. The friction here teaches you where your real limits are, but only after you've already stretched too far.

☉ Sun ☐ Square ♆ Neptune

Right now you are likely to **confuse what you want with what you imagine you want**, making it hard to set realistic goals or stick to decisions. People around you may seem unreliable or evasive, and you might notice yourself doing the same thing without meaning to. This period asks you to slow down and write things down before acting, because your usual sense of what is real gets cloudy.
