KEY TRANSIT FACTORS

♂ Mars ☐ Square ♃ natal Jupiter

You're more likely to overcommit right now, saying yes to things without thinking through what you actually have time for. Your impatience makes you **push forward recklessly**, and you end up wasting energy on projects that won't pay off or overselling your abilities to others. These days the gap between your confidence and your actual capacity becomes obvious, usually when you've already promised more than you can deliver.

♇ Pluto ☿ Quincunx ♅ natal Uranus

You feel pulled between wanting to break free from something and not knowing exactly what to change or how. This inner restlessness can make you **act impulsively on plans that aren't fully thought through**, only to second-guess yourself days later. Over the coming weeks, small adjustments to your routines or relationships will feel more useful than any dramatic moves.

☿ Mercury △ Trine ♁ natal Chiron

While this lasts, you find it easier to **talk through painful situations** without getting defensive or stuck. Your conversations with others become more straightforward and practical, which helps you actually work through what bothers you instead of ruminating alone. Over the coming weeks, this clarity in how you communicate can turn old hurts into useful lessons you can actually learn from.

♄ Saturn ∟ Semi sextile ☾ natal Moon

Over the coming weeks, you'll find it easier to **organize your feelings into practical steps** rather than getting stuck in emotional loops. Your emotional needs start to align with what you can actually do in your daily life, so you feel less pulled in two directions. This is a good time to set small routines that genuinely comfort you, since your practical side and your emotional side are working together instead of against each other.

♅ Uranus ☿ Opposition ☿ natal Mercury

Your thoughts feel scattered and hard to pin down right now, making it difficult to follow through on plans or explain yourself clearly to others. You may say things you didn't mean or misunderstand what people are trying to tell you, creating **unexpected miscommunication** in conversations that normally go smoothly. This period asks you to slow down and double-check your words and reasoning before acting on them, even though your mind is pushing you to move fast.

♃ Jupiter Rx · ♋ Cancer

Emotional generosity and the expansion of close bonds may feel less available right now. Past connections, family relationships, or unresolved emotional commitments return to the foreground. Honest reflection on where your genuine care and loyalty are directed yields more than performing warmth you do not feel.

☉ Sun △ Trine ♃ Jupiter

Right now you feel **more confident about your abilities** and you're likely to take on tasks you've been putting off. People around you notice your optimism and it spreads, making conversations easier and collaborations feel lighter. This is a practical window where your effort tends to produce visible results, so taking action on something you care about usually pays off.

☉ Sun * Sextile ♅ Uranus

These days you feel more willing to try something different without the usual fear holding you back. You might suggest a new idea at work, change your routine, or say no to something that no longer fits. This **relaxed openness to change** makes it easier to break old patterns while still feeling grounded enough to actually follow through.

☾ Moon ♂ Conjunction ♀ Venus

These days you feel more **comfortable showing affection** to the people around you, and they respond by being warmer in return. Your *Moon* and *Venus* are aligned right now, which makes it easier to express what you actually care about instead of holding back. This is a good window for having honest conversations with someone you're close to, or simply spending time with people who matter to you without the usual self-consciousness.

LUNAR DAY

Moon in ♑ Capricorn · Day 27 / 30 · Waning Crescent

Focus narrows toward responsibilities and unfinished obligations during this transit, with less tolerance for distraction or small talk. The emotional tone becomes more reserved and measured for the next 48 hours.

CLOTHING & JEWELRY
