KEY TRANSIT FACTORS

♃ Jupiter ☌ Conjunction ♁ natal Chiron ★

Over the coming weeks, you're likely to feel more **willing to talk about past hurts that usually stay private**. People around you may notice you're more open and less defensive when difficult topics come up. This period can actually help you move through some old emotional blocks because you're not fighting against them as hard as usual.

☾ Moon ☌ Opposition ♁ natal Chiron

These days you are **more aware of old hurts** that usually stay quiet, and your mood swings make them feel sharper than usual. You may find yourself irritable with people who remind you of past disappointments, or withdrawing because talking about what bothers you feels too raw right now. This temporary sensitiveness is not pleasant, but it's showing you exactly where your defenses are thickest so you can work with them once this period passes.

♁ Chiron ★ Sextile ☉ natal Sun

Right now you are more willing to **talk honestly about your mistakes and learn from them** without getting defensive or ashamed. This period gives you the practical ability to see where you have struggled and turn that into useful knowledge about yourself. Over the coming weeks, people around you will notice you handle feedback better and recover faster from setbacks.

♅ Uranus ☌ Quincunx ♅ natal Uranus

You feel restless about routines that used to work for you, and small changes in your daily structure suddenly feel important to make. Your usual way of staying independent or rebelling against rules gets awkward or misaligned, like you are not sure whether to stick with what you know or push against it. Over the coming weeks, you might experiment more with how you organize your time or your space, testing what actually fits you right now.

♅ Uranus ☌ Square ♃ natal Jupiter

Right now you are restless with your current plans and want to scrap them for something completely different, even when things are working reasonably well. You feel **impatient with limits** and may make sudden decisions about money, education, or travel that you have not fully thought through. Over the coming weeks, impulsive moves could create real practical problems that take time to fix.

♂ Mars **Rx** · ♋ Cancer

Aggression and frustration tend to be expressed passively or indirectly right now rather than directly. Domestic tensions that have been suppressed may surface during this period. Identifying what you actually want from a situation — before reacting — is more useful than it normally is.

☉ Sun ☐ Square ☾ Moon

Right now your gut feelings and your sense of purpose are pulling in opposite directions. You might feel irritated with people close to you without knowing exactly why, or snap at someone when you meant to stay calm. This friction between what you want to do and what feels emotionally safe can push you to make real changes, but only if you stop and actually listen to both sides instead of just reacting.

☉ Sun ☐ Square ♃ Jupiter

Right now you're likely **overestimating what you can handle** and taking on more than makes practical sense. Sun square Jupiter pushes you to act bigger and bolder than your actual circumstances support, which sets you up for overcommitment and disappointment. The friction here teaches you where your real limits are, but only after you've already stretched too far.

☾ Moon ☍ Opposition ♃ Jupiter

These days you feel pulled between what you want right now and what you think you should want, and this makes it hard to know what actually matters to you. Your **emotional reactions are bigger than the situation calls for**, so you say yes to things you don't have time for or get frustrated faster than usual. Over the coming weeks, this mismatch between your feelings and your judgment creates real friction in conversations and decisions, because you're either too generous with your time or too blunt about your limits.
