KEY TRANSIT FACTORS

♃ Jupiter ☌ Conjunction ♁ natal Chiron ★

Over the coming weeks, you're likely to feel more **willing to talk about past hurts that usually stay private**. People around you may notice you're more open and less defensive when difficult topics come up. This period can actually help you move through some old emotional blocks because you're not fighting against them as hard as usual.

☾ Moon ☌ Quincunx ♃ natal Jupiter

Over the coming weeks, you might feel **restless about your own beliefs or plans** without being able to pinpoint why. Your emotional needs and your larger goals keep pulling in different directions, making it hard to feel settled in either area. This mismatch usually passes on its own once the transit moves on.

♁ Chiron △ Trine ☾ natal Moon

Right now you find it easier to talk about what actually hurts instead of pushing feelings away or making yourself smaller. People around you respond differently when you speak from this honest place, and conversations that would normally feel risky become manageable. Over the coming weeks, this support from others gives you real permission to take your emotional needs seriously rather than dismissing them as weakness.

☿ Mercury ☌ Quincunx ☿ natal Mercury

Right now your thinking feels slightly out of sync with how you normally process information. You might notice yourself explaining things in a roundabout way or struggling to find the exact word you want, even though you usually communicate clearly. Over the coming weeks, **paying closer attention to how you're being understood** by others will help you adjust your approach and avoid unnecessary confusion.

♀ Venus △ Trine ♄ natal Saturn

Right now you find it easier to be **reliable and steady in your relationships**, and people notice. Your tendency to follow through on commitments feels natural rather than forced, which builds real trust with the people around you. These practical demonstrations of care—showing up, being consistent, keeping your word—actually deepen your connections more than grand gestures ever could.

♂ Mars Rx • ♋ Cancer

Aggression and frustration tend to be expressed passively or indirectly right now rather than directly. Domestic tensions that have been suppressed may surface during this period. Identifying what you actually want from a situation — before reacting — is more useful than it normally is.

☉ Sun ☌ Conjunction ☿ Mercury

These days your mind feels clearer and you're more likely to speak up about what you actually think. **You say things more directly** and people tend to listen because you sound confident. This is a practical time to have conversations you've been putting off or to explain yourself without second-guessing every word.

☉ Sun ☌ Quincunx ♂ Mars

At the moment, you feel driven to act but something keeps pulling your attention in a different direction, making it hard to move forward with any single plan. Your usual way of doing things no longer feels quite right, and you have to keep adjusting your approach as you go. This mismatch between what you want to do and what actually works creates a practical friction that requires patience and small corrections rather than big changes.

› **Moon ☾ Quincunx ♃ Jupiter**

These days your feelings and your practical plans don't quite line up, so you end up second-guessing yourself more than usual. You might feel **restless or dissatisfied** even when things are going reasonably well, because part of you wants something bigger while another part knows the timing isn't right. This mismatch between what you want emotionally and what you can actually do creates an awkward pressure that pushes you to make small adjustments rather than major moves.

LUNAR DAY

Moon in ♋ Pisces · Day 4 / 30 · New Moon

The boundary between personal and environmental moods blurs during this transit, making it easy to absorb the emotional state of whoever is nearby. Imagination and sensitivity both run higher, while clarity of thought and decision-making run lower for the next 48 hours.
