## KEY TRANSIT FACTORS

### ♀ Venus ☌ Quincunx ♁ natal Chiron

Right now you notice that **compliments or affection from others feel slightly off or hard to accept**, even when you know they're genuine. You might find yourself over-explaining why someone's kindness doesn't quite apply to you, or wondering if they really mean it. This awkwardness in receiving care tends to fade as the weeks pass, but while it lasts you'll do better by simply saying thank you rather than analyzing why you don't deserve the attention.

### ♆ Neptune ☌ Opposition ♀ natal Venus

Right now you are **seeing your relationships and attractions through an unrealistic filter**, which makes you vulnerable to people who don't deserve your trust. You mistake confusion for depth and ignore practical red flags because you want to believe in a fantasy version of someone. Over the coming weeks, this cloudiness will cost you either through disappointment or poor choices you'll regret once clarity returns.

### ♂ Mars △ Trine ♁ natal Chiron

Right now you have a **straightforward ability to talk about your past hurts without falling apart**, which makes this a good window for honest conversations with people who matter. You're less defensive than usual, so you can actually listen when someone gives you feedback instead of shutting down. Over the coming weeks, this practical confidence means you can take real steps to fix old patterns rather than just thinking about them.

### ♁ NNode \* Sextile ☾ natal Moon

These days you're naturally **more comfortable opening up to people** about what you actually feel instead of keeping things hidden. Your emotional honesty tends to create real connection rather than awkwardness, and others respond by being honest back. Over the coming weeks, this straightforward way of relating makes your relationships feel less exhausting and more genuine.

### ♁ NNode △ Trine ♁ natal NNode

Right now you find yourself **naturally moving toward people and situations that feel right for you**, without having to force or overthink the decision. You meet someone useful or stumble into an opportunity that aligns with what you actually want to be doing. This period supports you in following your instincts about where to put your effort, and doors tend to open when you do.

### ☿ Mercury Rx · ♑ Capricorn

Professional communications and career-related decisions are prone to misalignment right now. Contracts, applications, or plans that seemed finalized may need revisiting before they are acted on. The careful checking you do now prevents public errors later.

☉ Sun ☐ Square ☽ Moon

Right now your gut feelings and your sense of purpose are pulling in opposite directions. You might feel irritated with people close to you without knowing exactly why, or snap at someone when you meant to stay calm. This friction between what you want to do and what feels emotionally safe can push you to make real changes, but only if you stop and actually listen to both sides instead of just reacting.

☉ Sun ∟ Semi sextile ♃ Jupiter

These days you feel a bit more **optimistic about your abilities** and willing to take on new projects. Small wins come easier right now because you're not overthinking things or waiting for perfect conditions. This is a good time to start something you've been putting off, since your confidence has a gentle boost and you're likely to see early progress.

☉ Sun \* Sextile ♇ Pluto

These days you find it easier to **spot what needs to change** in your life without feeling overwhelmed by it. The practical support between *Sun* and *Pluto* means you can see problems clearly and actually do something about them instead of avoiding them. This is a good window for tackling projects that require focus and honesty about what's really going on.

LUNAR DAY

Moon in ♉ Taurus · Day 8 / 30 · First Quarter

**The pace slows considerably** during this transit as comfort and familiar surroundings take priority over efficiency. Resistance to change hardens, and any disruption to routine tends to provoke stubborn pushback.
