KEY TRANSIT FACTORS

♂ Mars ☐ Square ♀ natal Venus

Right now you're more likely to push people away when you want to pull them closer, because **your impulses feel sharp and your patience for nuance has disappeared**. If you're in a relationship, small disagreements can escalate quickly because you're expressing wants bluntly instead of listening to what the other person needs. Over the coming weeks, notice when you're acting on frustration rather than affection, because that awareness is what stops you from damaging something you actually care about.

♀ Venus △ Trine ♁ natal Chiron

You find it easier to talk about things that usually hurt, and people actually listen without judgment. Your **openness about past disappointments** feels safe right now, and you notice others responding with real compassion instead of awkwardness. This period gives you a chance to connect with people over shared struggles in a way that strengthens your relationships.

☉ Sun ☉ Opposition ♀ natal Venus

Right now you are more critical of the people close to you and harder to please in your relationships. You might push away someone who genuinely cares about you because you're noticing all their flaws instead of their good qualities. This **temporary harshness** in how you judge others can create distance that takes real effort to repair once this period passes.

♁ NNode ∠ Semi sextile ♄ natal Saturn

Over the coming weeks, you find it easier to **follow through on commitments** without feeling weighed down by them. Your practical instincts are working well with your sense of direction, so you can make real progress on goals that matter. This is a good time to take on responsibility because you actually feel capable of handling it.

♄ Saturn △ Trine ♂ natal Mars

Right now you're able to **push toward your goals without burning out**, because you have patience alongside your drive. You naturally pace yourself better than usual, finishing projects instead of starting ten new ones. Over the coming weeks, people notice you're reliable and steady, which builds real respect at work and in your personal life.

☉ Sun ☐ Square ♂ Mars

Right now you feel **irritable and impatient** with anyone who moves slower than you want them to. Your frustration comes out quickly, and you might say things sharply or push for action before people are ready. This friction between what you want to do immediately and what actually needs to happen teaches you where your expectations don't match reality.

☉ Sun * Sextile ♃ Jupiter

These days you feel more **willing to take reasonable risks** and try things you've been putting off. People around you seem more generous with their time and help, making it easier to move forward on practical goals. This period brings a straightforward boost to your confidence without the pressure to overcommit or perform.

☉ Sun ☐ Square ♄ Saturn

Right now you're running into real obstacles when you try to move forward with what you want. **You feel blocked by rules, other people's expectations, or your own self-doubt**, and pushing harder usually just makes things worse. The practical thing to do is slow down, check what's actually realistic, and accept that some goals need more time or a different approach.

LUNAR DAY

Moon in ♄ Capricorn · Day 29 / 30 · Waning Crescent

Focus narrows toward responsibilities and unfinished obligations during this transit, with less tolerance for distraction or small talk. The emotional tone becomes more reserved and measured for the next 48 hours.

CLOTHING & JEWELRY
