KEY DATE

☉ Sun enters ♍ Virgo

Sun in *Virgo* brings a shift toward **noticing details** that slipped past you before — at work, people start organizing their spaces and making lists, and conversations focus on what actually needs fixing rather than big ideas. In relationships and daily routines, there's more **interest in getting things right**, which can mean partners point out mistakes more often or you find yourself doing the same, and this period favors tackling tasks you've postponed. *Virgo* energy also makes people more **hesitant about committing** until they've checked all the facts, so decisions take longer but tend to be more solid.

KEY TRANSIT FACTORS

♂ Mars ∟ Semi sextile ♀ natal Venus ★

These days you feel more **confident when connecting with people** you care about, and small gestures of affection come naturally to you. Your *Mars* is working smoothly with your *Venus*, making it easier to express what you want without being pushy or awkward about it. Over the coming weeks, you might find that conversations flow better and you're less hesitant to take the social initiative.

♂ Mars ∟ Semi sextile ♄ natal Saturn ★

These days you find it easier to **stick with tasks that require patience and discipline** without feeling frustrated or trapped. Your natural drive from *Mars* aligns gently with your practical limits from *Saturn*, so you can push forward on difficult projects without burning out. Over the coming weeks, this is a good window to tackle something you have been putting off because you now have both the motivation and the realistic patience to see it through.

♂ Mars * Sextile ☉ natal Sun ★

Right now you feel **naturally motivated to get things done** without pushing yourself too hard. Your confidence is steady, and you tackle practical tasks at work or home with clear direction and follow-through. This is an ideal window to start a project or commit to something you've been thinking about, because your actions line up with what actually matters to you.

☉ Sun ∟ Semi sextile ♀ natal Venus ★

These days you feel more **genuinely comfortable around people**, and they respond to that ease in you. You're not trying as hard to impress anyone, which somehow makes your relationships run smoother and more naturally. This small but real shift in how you show up socially can help you strengthen connections that matter to you over the coming weeks.

♇ Pluto * Sextile ♁ natal Chiron

Right now you find it easier to **talk about past hurts without getting stuck in them**, which means conversations about difficult experiences feel less raw than usual. You're more willing to listen to other people's pain too, and they seem to respond by opening up to you in ways that deepen your relationships. Over the coming weeks, this natural confidence in handling hard topics gives you a practical advantage in resolving conflicts that have been hanging around.

☉ Sun ∟ Semi sextile ♀ Mercury

These days you find it easier to **say what you actually think** without overcomplicating things or getting stuck in your own head. Your mind and sense of purpose line up naturally, so explaining yourself to others feels straightforward rather than exhausting. This is a good window for conversations, presentations, or decisions where you need to be both clear and confident about what matters to you.

☉ Sun ♂ Conjunction ♂ Mars

Right now you feel **more direct and willing to take action** on things you normally hesitate about. You're likely to speak up in conversations, push forward with a project, or make a decision you've been putting off. This practical confidence usually fades once the transit passes, so use it to handle what actually needs doing.

☉ Sun ∟ Semi sextile ♃ Jupiter

These days you feel a bit more **optimistic about your abilities** and willing to take on new projects. Small wins come easier right now because you're not overthinking things or waiting for perfect conditions. This is a good time to start something you've been putting off, since your confidence has a gentle boost and you're likely to see early progress.
