KEY TRANSIT FACTORS

♇ Pluto ☿ Quincunx ♀ natal Venus

You feel oddly disconnected from what normally makes you happy, as though your usual pleasures have lost their appeal. Your social or romantic relationships may feel slightly off, making you wonder what has changed when nothing obvious has shifted. Over the coming weeks, you might notice yourself pulling back from people or activities you usually enjoy, until this uncomfortable mismatch eventually settles.

♃ Jupiter ☐ Square ♇ natal Pluto

Right now you're pushing harder on situations that resist you, and the harder you push the more they push back. You're likely **overestimating how much control you actually have** over people or circumstances that operate by their own rules. Over the coming weeks this friction will either force you to step back and accept limits, or exhaust you trying to prove a point that doesn't need proving.

♅ Uranus ☿ Quincunx ♁ natal Chiron

Over the coming weeks, you may feel restless about areas where you've learned to accept limitations. **You notice yourself questioning old workarounds and feeling uncomfortable with compromises that used to feel necessary.** This discomfort is not a sign something is wrong—it's your mind flagging habits that no longer fit who you are becoming.

♀ Venus * Sextile ☿ natal Mercury

Right now you find it easier to say what you actually mean, and people respond well to your honesty. Your **words carry more warmth**, so conversations that usually feel difficult become straightforward and even enjoyable. Over the coming weeks, this natural ease with communication can help you sort out misunderstandings or simply connect more deeply with the people around you.

♁ Chiron ☐ Opposition ♇ natal Pluto

Right now you are **confronting ways you control situations through fear or secrecy**, and it feels uncomfortable because someone or something is forcing you to see what you have been hiding from yourself. You may notice that your usual tactics for managing relationships or power no longer work, leaving you feeling exposed and defensive. These days it is worth sitting with this discomfort instead of retreating into old patterns, because what feels threatening right now is actually showing you where real change needs to happen.

♃ Jupiter Rx · ♏ Scorpio

Expansion in areas involving depth, transformation, and shared resources pauses for honest reassessment right now. Past investments — financial, emotional, or psychological — return to attention and require evaluation. Research and deeper understanding serve you better during this period than new initiatives.

☉ Sun △ Trine ☾ Moon

These days you find it easier to know what you actually want and to ask for it without overthinking. Your emotional reactions line up with your real goals, so you move forward without fighting yourself. This is a good time to make decisions or have conversations because you sound genuine and people respond well to that.

☉ Sun □ Square ♅ Uranus

Right now you are more **restless and impatient with routine**, which makes it harder to stick to normal responsibilities or follow through on what you started. You want to break free from constraints, but the practical world does not cooperate, so you feel trapped between what you want to do and what you have to do. This psychological friction can push you toward reckless decisions if you do not find a safe outlet for the urge to rebel.

☉ Sun △ Trine ♆ Neptune

These days you feel **more comfortable being yourself around others** without needing to explain or defend who you are. People respond better to you right now because you're relaxed enough to listen to what they actually need instead of pushing your own agenda. This period favors creative work, gentle conversations, and situations where you can help someone without it costing you anything.

LUNAR DAY

Moon in ♎ Libra · Day 10 / 30 · First Quarter

The social atmosphere becomes more diplomatic during this transit, with more care taken to avoid unnecessary friction. Decisions slow down as multiple perspectives get weighed, and outright conflict feels harder to initiate than usual.

CLOTHING & JEWELRY
