KEY TRANSIT FACTORS

♃ Jupiter * Sextile ☾ natal Moon ★

Right now you feel **more at ease with what you're feeling**, and that ease spreads to how you treat the people around you. You're quicker to laugh, more patient with complaints from family or friends, and you actually listen instead of just waiting for your turn to talk. Over the coming weeks, this emotional looseness often leads to real conversations that improve your relationships or help someone feel heard by you.

☉ Sun ∟ Semi sextile ♀ Venus ★

Right now you find it easier to notice what you like about people around you, and that makes your social interactions feel smoother. You're more likely to **compliment someone without overthinking it** or suggest doing something enjoyable together. This isn't a dramatic shift, but these days small acts of kindness and warmth come more naturally to you.

☉ Sun △ Trine ♂ natal Mars

Right now you're finding it easier to **act on what you actually want** instead of hesitating or second-guessing yourself. Your confidence in your own decisions is natural and steady, so tasks that normally feel like a push come through with real effort behind them. Over the coming weeks, you'll likely notice you're getting things done and people respond well to your direct, purposeful approach.

☾ Moon □ Square ♁ natal Chiron

Right now your **emotional defences are getting poked**, and old hurts you thought you'd buried are coming back up. You're more irritable than usual and quicker to feel rejected, especially in conversations where someone disagrees with you or doesn't give you the reaction you wanted. These feelings will pass in a few days or weeks, but while this lasts you'll need to notice when you're snapping at people over small things instead of addressing what's actually bothering you underneath.

♆ Neptune qx Quincunx ♀ natal Venus

Over the coming weeks, you may feel **unsure about what you actually want in your relationships**, making it hard to know if you're genuinely attracted to someone or just imagining the connection. Your romantic or social preferences seem to shift without warning, leaving you confused about your own taste and boundaries. This fog usually lifts once *Neptune* moves on, so avoid making big commitment decisions while this lasts.

♂ Mars △ Trine ♀ natal Venus

Right now you find it much easier to **ask for what you want** without feeling guilty or defensive about it. Your social confidence is naturally higher, and people respond well to the directness and warmth you're putting out. Over these coming weeks, you might notice yourself saying yes to invitations or making plans you'd normally hesitate about, and things tend to go smoothly when you do.

♀ Venus Rx · ♋ Pisces

The boundary between romantic idealization and real connection is particularly thin right now. Old relationships may seem more appealing than they actually were, and new connections made during this period often need reassessment after it ends. Compassion for yourself and others serves better than high expectations right now.

♄ Saturn Rx · ♍ Virgo

The systems and routines you rely on for health, work, and daily functioning are being tested for their genuine usefulness right now. Habits maintained out of routine rather than benefit deserve honest evaluation. Small corrections made now to health or work practices tend to produce more durable improvement than sweeping changes.

☉ Sun ∟ Semi sextile ♂ Mars

These days you feel **motivated to take small steps forward** without forcing things or burning out. Your practical energy matches what you actually want to do right now, so starting a project or having a difficult conversation feels less exhausting than usual. This is a good window to build momentum on something you care about while the effort still feels natural.

☉ Sun * Sextile ♃ Jupiter

These days you feel more **willing to take reasonable risks** and try things you've been putting off. People around you seem more generous with their time and help, making it easier to move forward on practical goals. This period brings a straightforward boost to your confidence without the pressure to overcommit or perform.
