## KEY TRANSIT FACTORS

### ☉ Sun ☾ Semi sextile ♀ Venus ★

Right now you find it easier to notice what you like about people around you, and that makes your social interactions feel smoother. You're more likely to **compliment someone without overthinking it** or suggest doing something enjoyable together. This isn't a dramatic shift, but these days small acts of kindness and warmth come more naturally to you.

### ☿ Mercury ☽ Quincunx ♄ natal Saturn

Over the coming weeks, you'll notice your thoughts don't quite match what you actually need to do, leaving you feeling slightly off-balance when planning or explaining yourself. You become **more careful with words**, second-guessing what you say before speaking because something feels incomplete or awkward. This mismatch between thinking and doing is temporary, but it teaches you to slow down and check your logic before moving forward.

### ♃ Jupiter ☐ Square ♃ natal Jupiter

Right now you're caught between wanting to expand too fast and hitting real practical limits. You overestimate what you can handle, say yes to too much, and then feel frustrated when reality doesn't cooperate with your plans. These friction points are teaching you where your actual resources end, but the lesson feels annoying rather than helpful **while it lasts**.

### ♅ Uranus ☐ Square ☿ natal Mercury

Your thoughts feel scattered and hard to pin down these days, making it difficult to follow through on plans or explanations. You might **interrupt conversations without noticing, say things you regret, or struggle to listen** because your mind is jumping between too many ideas at once. This restlessness in how you think and communicate will likely frustrate both you and the people around you until this period passes.

### ♃ Jupiter ☾ Semi sextile ♅ natal Uranus

Over the coming weeks, you feel **more willing to try new approaches** without abandoning what already works for you. Small opportunities for practical change show up in your routines, and you have the confidence to test them out. This is a good time to experiment with a new habit or way of doing something because the risk feels manageable and the potential payoff feels real.

### ♁ Chiron ☽ Quincunx ♇ natal Pluto

You feel pulled between wanting to fix something about yourself and realizing you can't force the change right now. This mismatch shows up as **restlessness in situations where you normally feel in control**, whether at work or in close relationships. Over the coming weeks, the discomfort itself is actually useful—it's pointing you toward a part of your life that needs a different approach than you've been taking.

### ♃ Jupiter Rx · ♋ Cancer

Emotional generosity and the expansion of close bonds may feel less available right now. Past connections, family relationships, or unresolved emotional commitments return to the foreground. Honest reflection on where your genuine care and loyalty are directed yields more than performing warmth you do not feel.

### ☉ Sun ☿ Quincunx ☾ Moon

At the moment, your **emotional needs and practical goals are pulling in different directions**, and this creates a low-level discomfort that's hard to name. You might feel restless or slightly out of sync—your body wants one thing while your mind is focused on something else entirely. This isn't a crisis, but it does mean you'll need to make small adjustments throughout the day to feel more settled.

### ☉ Sun ♂ Conjunction ♀ Mercury

These days your mind feels clearer and you're more likely to speak up about what you actually think. **You say things more directly** and people tend to listen because you sound confident. This is a practical time to have conversations you've been putting off or to explain yourself without second-guessing every word.

### LUNAR DAY

Moon in ♌ Leo · Day 18 / 30 · Full Moon

**The social atmosphere becomes more expressive** these days, with people more willing to share opinions and put themselves forward. The need to feel appreciated surfaces in small ways — a slower response to criticism, a stronger preference for being noticed.

### CLOTHING & JEWELRY
