KEY TRANSIT FACTORS

♁ Chiron qx Quincunx ♁ natal Chiron

Over the coming weeks, you might notice old hurts or tender spots suddenly feel awkward or misaligned in new situations. You're **reassessing how you've handled past pain**, and what worked before may not fit anymore. This mismatch can feel uncomfortable, but it's actually showing you where your coping strategies need to shift.

☾ Moon ☉ Opposition ♆ natal Neptune

Right now you are spotting contradictions between what people say and what they actually do, which makes you feel **suspicious and on edge** socially. Your usual ability to go along with things is gone, and you're asking harder questions about whether relationships are real or just comfortable habits. These days this clarity feels lonely because pointing out the gap between words and actions tends to upset people around you.

♄ Saturn qx Quincunx ☉ natal Sun

Right now you feel **slightly out of sync with your own plans**, as if the effort you put in doesn't quite match what actually happens. *Saturn* is creating friction with your *Sun*, making you notice where you've been overcommitting or underestimating what tasks really take. These days you're more likely to step back and question whether you're spending your time and energy on things that actually matter to you.

☉ Sun Δ Trine ♇ natal Pluto

You're able to see through situations right now and spot what actually matters instead of getting distracted by surface details. This clarity gives you **quiet confidence** to make decisions you've been putting off, whether at work or in personal relationships. Over the coming weeks, people tend to trust what you say because you come across as genuinely straightforward.

♀ Venus Δ Trine ☉ natal Sun

Right now you feel more **comfortable being yourself around others**, and people respond well to that ease. You are more likely to say yes to social invitations and actually enjoy them instead of overthinking beforehand. This period is ideal for smoothing over small rifts in relationships or simply spending time with people who genuinely like you.

♂ Mars Rx · ♎ Libra

Asserting your needs in relationships feels harder than usual right now, and unresolved conflicts tend to resurface. Avoiding direct confrontation can build passive tension that eventually requires release. Honest conversations about what is and is not working in close partnerships are more useful now than they feel.

♄ Saturn Rx · ♏ Scorpio

Deep psychological structures — the ways you manage power, control, and shared resources — are under quiet but significant review right now. Commitments made at depth, financial obligations, or emotional contracts with others demand careful attention. Unacknowledged patterns of control or avoidance are being surfaced for honest examination.

☉ Sun ☿ Conjunction ♀ Moon

These days you feel more **aligned between what you want and what you feel**. Your emotional needs and your sense of direction match up, so you act with fewer doubts and less second-guessing yourself. This is a practical advantage when you need to make a choice or move forward on something that matters to you.

☉ Sun ☐ Square ♃ Jupiter

Right now you're likely **overestimating what you can handle** and taking on more than makes practical sense. *Sun* square *Jupiter* pushes you to act bigger and bolder than your actual circumstances support, which sets you up for overcommitment and disappointment. The friction here teaches you where your real limits are, but only after you've already stretched too far.

☉ Sun ☿ Conjunction ♅ Uranus

At the moment, you feel **restless and impatient with routines that normally work fine**. You might suddenly want to change something about how you look, where you work, or how you spend your time, even if there's no real problem. This push to break free or do something different is normal right now, so notice what you actually want to change versus what's just nervous energy looking for an outlet.

LUNAR DAY

Moon in ♈ Aries · Day 30 / 30 · Waning Crescent

Impatience with delays rises noticeably right now, and people act on whatever they want without much advance thinking. Short tempers and blunt reactions are more common for the next 48 hours.
