KEY TRANSIT FACTORS

♇ Pluto ☐ Square ♁ natal Chiron

Right now you're bumping up against old wounds that usually stay quiet, and it feels uncomfortable because you can't just ignore them the way you normally do. You might find yourself **overreacting to small slights or feeling defensive** about situations that wouldn't usually bother you. Over the coming weeks, this friction is forcing you to look at how you protect yourself—not to fix everything at once, but to notice where your defenses are actually holding you back from connecting with other people.

♁ Chiron ☐ Quincunx ♃ natal Jupiter

Over the coming weeks, you notice a mismatch between what you want to believe about yourself and what actually works in your life. You find yourself **questioning your usual confidence** or having to adjust your plans when reality doesn't match your expectations. This gap between your hopes and the practical results you're getting will likely push you to make small changes to how you approach problems.

♄ Saturn △ Trine ♇ natal Pluto

You find it easier right now to **follow through on difficult changes** you have been putting off. Your practical side is working well with your ability to handle intensity, so you can tackle problems that usually feel too overwhelming. Over the coming weeks, you may notice you are more willing to do the hard work needed to transform something real in your life.

♃ Jupiter ☐ Square ☉ natal Sun

Right now you are **overestimating what you can handle**, and this confidence is pulling you into commitments that drain your resources faster than you expected. *Jupiter* is amplifying your sense of possibility while *Sun* pushes you to prove yourself, making it hard to say no or admit limits. Over the coming weeks you will likely hit a wall—exhaustion, overspending, or failed promises—that forces you to recalibrate what actually matters to you.

☾ Moon ☐ Square ♀ natal Mercury

Right now your emotions are making it harder to think clearly or communicate what you actually mean. You say things you didn't plan to say, or you misread what others are trying to tell you because you're **reacting from feeling rather than listening**. These next few days or weeks will test your patience with conversations and small decisions until this mood passes.

☉ Sun ☐ Square ♃ Jupiter

Right now you're likely **overestimating what you can handle** and taking on more than makes practical sense. *Sun* square *Jupiter* pushes you to act bigger and bolder than your actual circumstances support, which sets you up for overcommitment and disappointment. The friction here teaches you where your real limits are, but only after you've already stretched too far.

☉ Sun ☐ Square ♁ NNode

These days you feel pulled between who you are right now and who you think you should become, and this gap creates real frustration. You might **resist feedback or advice** because accepting it feels like admitting you are not enough as you are. The practical result is that growth happens anyway, but it costs you energy and confidence in the short term.

› Moon △ Trine ♄ Saturn

These days your **emotions feel steady and reliable** instead of all over the place. You can handle practical problems without getting upset, and people around you notice you're calmer than usual. This is a good time to sort out real issues because your feelings aren't getting in the way of clear thinking.

LUNAR DAY

Moon in ♈ Aries · Day 9 / 30 · First Quarter

Impatience with delays rises noticeably right now, and people act on whatever they want without much advance thinking. Short tempers and blunt reactions are more common for the next 48 hours.

CLOTHING & JEWELRY
