KEY TRANSIT FACTORS

☉ Sun ∟ Semi sextile ♀ Venus ★

Right now you find it easier to notice what you like about people around you, and that makes your social interactions feel smoother. You're more likely to **compliment someone without overthinking it** or suggest doing something enjoyable together. This isn't a dramatic shift, but these days small acts of kindness and warmth come more naturally to you.

♇ Pluto □ Square ♁ natal Chiron

Right now you're bumping up against old wounds that usually stay quiet, and it feels uncomfortable because you can't just ignore them the way you normally do. You might find yourself **overreacting to small slights or feeling defensive** about situations that wouldn't usually bother you. Over the coming weeks, this friction is forcing you to look at how you protect yourself—not to fix everything at once, but to notice where your defenses are actually holding you back from connecting with other people.

♆ Neptune qx Quincunx ♇ natal Pluto

Over the coming weeks, you may notice that **your usual methods for handling difficult situations stop working quite the way they used to**. You might feel unsure about how much control you actually have in situations that once seemed straightforward, and old strategies for dealing with pressure start to feel off somehow. This is a practical adjustment period where you'll need to experiment with different approaches rather than pushing harder with the ones you know.

♂ Mars qx Quincunx ♀ natal Venus

These days you feel **restless in your relationships and attractions**, as if what usually satisfies you no longer fits quite right. Your desires and your actions keep pulling in different directions, so you end up pursuing what you want in awkward or roundabout ways. Over the coming weeks, you may notice you're making social or romantic moves that feel off-timing, or you're frustrated because your energy doesn't match what your heart actually needs.

☿ Mercury ∟ Semi sextile ♁ natal Chiron

These days you find it easier to talk about things that usually feel difficult or tender. Your words seem to land better when you explain your past hurts or current worries to people who matter. This period supports **clearer communication about pain**, making it simpler to get help or understanding from others without feeling like you're burdening them.

♁ Chiron □ Square ☉ natal Sun

Over the coming weeks, you'll feel **self-doubt creeping into situations where you'd normally feel confident**. Small failures or critical feedback will sting more than usual, and you may withdraw from activities where you typically lead. This is *Chiron* square your *Sun* forcing you to notice where your confidence is fragile or built on shaky ground.

☿ Mercury Rx · ♍ Virgo

Your attention sharpens on errors and inefficiencies right now, sometimes to the point of paralysis. Details that were overlooked resurface, and work or health plans made earlier may need correction. This period rewards meticulous review but punishes perfectionism that prevents completion.

☉ Sun ☐ Square ♂ Mars

Right now you feel **irritable and impatient** with anyone who moves slower than you want them to. Your frustration comes out quickly, and you might say things sharply or push for action before people are ready. This friction between what you want to do immediately and what actually needs to happen teaches you where your expectations don't match reality.

☉ Sun ☿ Conjunction ♃ Jupiter

Right now you feel more confident about your abilities and less worried about what could go wrong. You are **more willing to take on bigger challenges** and speak up in situations where you normally stay quiet. This period tends to bring real opportunities your way because you are actually showing up differently, not because of luck.

LUNAR DAY

Moon in ♉ Taurus · Day 19 / 30 · Waning Gibbous

The **pace slows considerably** during this transit as comfort and familiar surroundings take priority over efficiency. Resistance to change hardens, and any disruption to routine tends to provoke stubborn pushback.

CLOTHING & JEWELRY
