KEY TRANSIT FACTORS

☉ Sun * Sextile ♂ natal Mars *

Right now you feel **purposeful and able to act on what matters to you**, and tasks that usually feel like a drag become easier to start. Your practical energy is flowing, so this is a good time to tackle projects at work or home that need your direct effort and attention. Over the coming weeks, you're likely to notice people respond better to your straightforward approach and genuine confidence.

☉ Sun ☾ Opposition ☾ Moon *

Right now you feel pulled in two directions at once, and it's hard to know what you actually want. You might notice yourself **acting one way in public and feeling something completely different inside**, which creates an awkward tension you can't ignore. This split between what you're showing others and what you're experiencing privately tends to make decisions feel impossible until the aspect passes.

☉ Sun ∟ Semi sextile ♀ Venus *

Right now you find it easier to notice what you like about people around you, and that makes your social interactions feel smoother. You're more likely to **compliment someone without overthinking it** or suggest doing something enjoyable together. This isn't a dramatic shift, but these days small acts of kindness and warmth come more naturally to you.

♇ Pluto □ Square ♁ natal Chiron

Right now you're bumping up against old wounds that usually stay quiet, and it feels uncomfortable because you can't just ignore them the way you normally do. You might find yourself **overreacting to small slights or feeling defensive** about situations that wouldn't usually bother you. Over the coming weeks, this friction is forcing you to look at how you protect yourself—not to fix everything at once, but to notice where your defenses are actually holding you back from connecting with other people.

♁ NNode ∟ Semi sextile ♇ natal Pluto

Over the coming weeks, you find it easier to **speak up about what you actually want** instead of staying quiet to keep the peace. Small conversations that would normally feel risky now feel manageable, and people respond better than you expected. This is a good time to set a boundary you have been putting off or to tell someone what you really think.

☉ Sun □ Square ♄ natal Saturn

Right now you're bumping up against your own limits, and it feels frustrating rather than motivating. You notice **resistance from authority figures or self-doubt blocking what you want to do**, and pushing harder only makes the friction worse. These few weeks ask you to slow down and work within real constraints instead of fighting them.

♄ Chiron ☐ Square ♀ natal Moon

Right now you're more aware of emotional wounds you usually ignore, and that awareness feels uncomfortable rather than helpful. You might find yourself **withdrawing from people or snapping at them unexpectedly** because your usual emotional coping methods aren't working. Over the coming weeks, this friction is pushing you to look at how you actually handle upset instead of just moving past it.

☉ Sun ☿ Opposition ♅ Uranus

Right now you feel a strong urge to break free from rules or routines that usually work fine, and this creates real friction with people around you. You might act impulsively or reject advice you would normally follow, making **sudden decisions without thinking through the practical consequences**. This period brings frustration because what you want to do conflicts with what actually needs to happen, and ignoring either side leaves you stuck.
