KEY TRANSIT FACTORS

☾ Moon ☿ Quincunx ♀ Venus ★

Right now your emotional needs and what you want socially are slightly out of sync, so you might feel pulled in two directions. You could notice yourself wanting comfort and closeness at times when you'd rather stay independent, or the opposite. This **mismatch between feeling and wanting** is temporary, and noticing it is the first step to working with it instead of against it.

♁ Chiron △ Trine ♀ natal Venus

You find it easier to talk about what you actually need from the people close to you without feeling guilty or defensive. Your **honesty about your own worth** comes across as calm instead of demanding, so others listen and respond well. Over the coming weeks, this directness helps you build relationships that feel more real because they're based on what you actually want, not what you think you should want.

☉ Sun □ Square ♀ natal Mercury

Right now you're finding it hard to say what you actually mean, and people keep misunderstanding you even when you're trying to be clear. Your **thoughts feel scattered and your words come out wrong**, which makes conversations frustrating for everyone involved. Over the coming weeks, you'll need to slow down and write things out or repeat yourself more often, because your usual way of communicating just isn't landing.

♅ Uranus △ Trine ♂ natal Mars

These days you feel **willing to try things in new ways** without the usual hesitation that normally holds you back. Your practical actions become more flexible, and you find yourself breaking your own rules in ways that actually work out well. Over the coming weeks this confidence gives you the freedom to pursue goals that once seemed too risky or unconventional.

♋ NNode △ Trine ☾ natal Moon

Right now you find it easier to **trust your gut feelings** about what you need, and people around you respond well to this honesty. Your emotional boundaries feel more natural to maintain without effort or guilt. Over the coming weeks, you're likely to make social choices that actually suit you instead of just going along with others.

♇ Pluto □ Square ♃ natal Jupiter

Over the coming weeks, you're likely to feel blocked whenever you try to expand or move forward on something important to you. Your **impatience with limits** grows as obstacles appear exactly when you thought progress was guaranteed, making you push harder against resistance instead of stepping back. This period tests whether you can accept that some things need to shrink or transform rather than simply get bigger.

☉ Sun ☿ Quincunx ♆ Neptune

These days you might notice a gap between what you're trying to accomplish and what actually feels right to you. Your practical plans can feel oddly disconnected from your gut feelings, leaving you **uncertain about which direction to trust**. This mismatch between doing and feeling tends to make decision-making slower and more confusing than usual.

› Moon ☾ Quincunx ♃ Mars

These days you might feel **restless without knowing why**, like your emotions want something your body isn't ready to deliver. Small tasks feel either pointless or urgent depending on your mood, and you could snap at someone over something that wouldn't normally bother you. The mismatch between what you feel like doing and what actually needs doing right now creates a practical friction that's hard to sit with.
