♊ North Node	in ♊ Gemini	20°45'24"	X Rx
♁ Lilith	in ♐ Sagittarius	4°28'48"	IV

KEY TRANSIT FACTORS

☾ Moon ☌ Conjunction ♊ natal NNode

These days you feel more drawn to people and situations that feel familiar or emotionally safe, even if they are not new. You are likely **seeking connection with others who understand your values without needing to explain yourself**. This pull toward comfort and belonging will fade in a week or two, but right now it is worth noticing who or what actually makes you feel at home.

♇ Pluto qx Quincunx ♊ natal NNode

You feel pulled between what you want to do and what actually works right now, which can make decision-making awkward and frustrating. **You second-guess yourself more than usual**, especially about choices that affect your future or reputation. These days, sitting with this discomfort instead of forcing a decision will serve you better than rushing to resolve it.

♅ Uranus qx Quincunx ♆ natal Neptune

Over the coming weeks, you may notice your usual routines feel less satisfying or believable than before. You might find yourself questioning plans you thought were solid, or feeling restless about commitments that once felt safe. This **disconnect between what you expect and what actually holds your attention** can make it hard to stick with anything for long, so building in flexibility rather than fighting the feeling works better right now.

♀ Venus ☐ Square ♃ natal Mercury

Right now you're caught between what you want to say and what feels socially comfortable, so conversations come out muddled or you second-guess yourself constantly. Your **words don't match your real feelings**, which creates awkward moments where people don't understand your actual position. Over the coming weeks, you'll need to slow down and think before speaking, because the gap between your thoughts and your charm is wider than usual.

☾ Moon ☌ Opposition ☾ natal Moon

Right now you are likely to feel **emotionally restless and at odds with yourself**, as if your usual ways of managing stress are not working. You may snap at people you care about or withdraw when you normally would reach out, leaving you confused about what you actually want. Over the coming weeks, this mismatch between your instinctive needs and your current emotional state will push you to notice patterns you have been avoiding.

☾ Moon ☐ Square ♂ Mars

These days you're more likely to act on frustration before you think it through, and small annoyances can feel urgent and demanding. **Your emotional reactions move faster than your good judgment**, so conversations with others can turn sharp or heated quickly. This period pushes you to notice the gap between what you feel and what actually needs to happen right now.

› Moon ☾ Opposition ♃ Jupiter

These days you feel pulled between what you want right now and what you think you should want, and this makes it hard to know what actually matters to you. Your **emotional reactions are bigger than the situation calls for**, so you say yes to things you don't have time for or get frustrated faster than usual. Over the coming weeks, this mismatch between your feelings and your judgment creates real friction in conversations and decisions, because you're either too generous with your time or too blunt about your limits.

› Moon ☾ Square ♆ Neptune

Right now your emotional responses feel disconnected from what is actually happening around you. You might **overreact to small problems or miss real warning signs** because your feelings are not matching the facts. This mismatch between what you feel and what is real makes it hard to trust your own judgment about people and situations.

LUNAR DAY

Moon in ♊ Gemini · Day 22 / 30 · Waning Gibbous

Social activity picks up for the next day or two, with conversations starting easily but rarely staying on one topic. A general restlessness makes it harder to finish tasks or sit with one idea long enough to go deep.

CLOTHING & JEWELRY

Saturday · ♄ Saturn · Venus in Cancer

Saturday is Saturn's domain — dark violet, charcoal, or deep plum reflect discipline and depth. Obsidian or onyx as a grounding stone supports structure and focus.
