KEY TRANSIT FACTORS

♀ Venus ☐ Square ♅ natal Uranus

Right now you're restless in your relationships and find it hard to settle into routine affection or commitment. You might **push away people who want closeness** or suddenly lose interest in someone who was important to you last week. This friction between wanting freedom and being expected to show up consistently will test your patience and theirs over the coming weeks.

☾ Moon ☐ Square ♅ natal Uranus

Right now you feel restless and irritable in ways that don't match your usual mood, making you **snap at people over small things** and struggle to sit still. Your need for sudden change clashes with what you actually need emotionally, so you might suddenly want to quit something or push away someone close to you without being clear why. These feelings will pass in a few days, but while they last you'll need to notice the impulse to act on them rather than act immediately.

♀ Venus ♁ Quincunx ♃ natal Jupiter

Over the coming weeks, you may find yourself **wanting more from your relationships and social life than feels comfortable to ask for**. You notice a mismatch between what you hope for and what you're actually willing to pursue, leaving you feeling a bit stuck in conversations or plans. This awkward feeling typically passes once you decide what you actually want instead of waiting for the perfect moment.

♇ Pluto ♁ Quincunx ☉ natal Sun

These days you feel pulled to change something about yourself or your life, but the direction isn't clear yet. You might notice **restlessness in how you present yourself** to others, or a sense that your usual way of handling things no longer fits. Over the coming weeks, small adjustments to your routine or how you assert yourself will feel more natural than any dramatic overhaul.

♂ Mars * Sextile ♃ natal Jupiter

You feel **more willing to take action on plans you've been thinking about**, and your confidence in your own judgment is higher than usual. Your efforts tend to pay off more easily during this period, and people around you respond well to your directness and enthusiasm. This is a practical time to push forward with work goals or personal projects that need momentum.

☉ Sun ∟ Semi sextile ♃ Jupiter

These days you feel a bit more **optimistic about your abilities** and willing to take on new projects. Small wins come easier right now because you're not overthinking things or waiting for perfect conditions. This is a good time to start something you've been putting off, since your confidence has a gentle boost and you're likely to see early progress.

☉ Sun ☌ Quincunx ♁ NNode

At the moment you are noticing a mismatch between what you want to do and what feels like the right direction to move in. You might find yourself **hesitating before making choices** because two parts of you are pulling slightly different ways. This isn't crisis or conflict—just an uncomfortable adjustment where you have to consciously decide which impulse to follow rather than acting on automatic.

☾ Moon ☌ Semi sextile ♀ Mercury

These days your thoughts and feelings are **naturally aligned**, so what you say matches what you actually feel inside. You find it easier to explain what is bothering you or what you need without getting confused or defensive. This makes conversations smoother because people understand you the first time instead of having to guess what you mean.

LUNAR DAY

Moon in ♋ Pisces · Day 4 / 30 · New Moon

The boundary between personal and environmental moods blurs during this transit, making it easy to absorb the emotional state of whoever is nearby. Imagination and sensitivity both run higher, while clarity of thought and decision-making run lower for the next 48 hours.

CLOTHING & JEWELRY

Tuesday is ruled by Mars — bold red, burgundy, or deep crimson channel the day's active energy. Ruby or garnet worn close to the body strengthens initiative and courage.
