KEY TRANSIT FACTORS

☿ Mercury ☐ Square ☉ natal Sun

Right now you're likely to **second-guess your own opinions** and struggle to communicate what you actually think. People may misunderstand your words or you may find yourself contradicting yourself mid-conversation, which creates friction with others. Over the coming weeks, you'll need to slow down before speaking and accept that getting your point across will take more effort than usual.

♁ Chiron ☉ Opposition ♆ natal Neptune

Over the coming weeks, you become aware of ways you have been avoiding practical reality by retreating into fantasy or wishful thinking. Your usual escape routes stop working, and you feel **exposed and raw when you cannot slip away into daydreams**. This discomfort is real, but it is also pointing you toward the concrete problems you need to address instead of imagining them away.

☾ Moon * Sextile ♄ natal Saturn

Right now you find it easier to **stick to what you say you'll do**, and people notice. Your practical side is working well with your emotional side, so you can talk about your feelings without falling apart or getting lost in them. Over the coming weeks, you're likely to follow through on commitments and feel more grounded when dealing with difficult conversations.

☉ Sun ☉ Opposition ♃ natal Jupiter

Right now you're running into limits on your confidence and optimism that can feel frustrating. You may **overcommit to plans or promises** only to realize you don't have the resources or energy to follow through, leaving you embarrassed or defensive. Over the coming weeks, the practical lesson is to check your assumptions before you say yes, because your instinct to be generous is working against your actual capacity.

♅ Uranus qx Quincunx ♆ natal Neptune

Over the coming weeks, you may notice your usual routines feel less satisfying or believable than before. You might find yourself questioning plans you thought were solid, or feeling restless about commitments that once felt safe. This **disconnect between what you expect and what actually holds your attention** can make it hard to stick with anything for long, so building in flexibility rather than fighting the feeling works better right now.

☉ Sun ∟ Semi sextile ♆ Neptune

These days you find it easier to **imagine things before you build them**, whether that's a project at work or how you want your living space to feel. The subtle connection between *Sun* and *Neptune* softens your usual need to rush into action, giving your practical plans a touch of creativity. This is a good time to sketch out ideas, talk through your vision with others, or sit with half-formed thoughts without needing immediate answers.

› Moon ☾ Opposition ♿ Mercury

Right now your feelings and your thoughts are pulling in different directions, which makes it hard to say what you actually mean. You might feel upset about something but explain it in a way that sounds cold or defensive, so people don't understand what's really bothering you. This mismatch between what you feel and what you say creates **confusion in conversations**, and you'll likely need to circle back later to clear things up.

› Moon △ Trine ♃ Jupiter

Right now you feel more **generous and open to others** than usual, and people pick up on that. You're more likely to say yes to plans, share what you have, and give people the benefit of the doubt. This is a practical time to strengthen relationships because you're not defensive or withdrawn.

LUNAR DAY

Moon in ♍ Virgo · Day 13 / 30 · Waxing Gibbous

Attention sharpens on what is not working right now — small errors and inefficiencies become harder to ignore than usual. **The tendency to organize, correct, and refine** runs stronger for the next day or two, sometimes at the cost of the bigger picture.

CLOTHING & JEWELRY

Monday · › Moon · Venus in Cancer

Monday belongs to the Moon — wear silver, white, or soft green tones. Moonstone or pearl as a pendant or ring amplifies the day's intuitive, nurturing energy.
