KEY TRANSIT FACTORS

☿ Mercury ☐ Square ♃ natal Mercury

Right now your thinking feels scattered and your words come out wrong more often than usual. You second-guess yourself mid-conversation, switch topics without finishing your point, and struggle to explain what you actually mean to people around you. This friction between what you think and what you say creates **misunderstandings at work and home** that frustrate both you and the people listening to you.

☉ Sun △ Trine ♂ natal Mars

Right now you're finding it easier to **act on what you actually want** instead of hesitating or second-guessing yourself. Your confidence in your own decisions is natural and steady, so tasks that normally feel like a push come through with real effort behind them. Over the coming weeks, you'll likely notice you're getting things done and people respond well to your direct, purposeful approach.

♅ Uranus qx Quincunx ♆ natal Neptune

Over the coming weeks, you may notice your usual routines feel less satisfying or believable than before. You might find yourself questioning plans you thought were solid, or feeling restless about commitments that once felt safe. This **disconnect between what you expect and what actually holds your attention** can make it hard to stick with anything for long, so building in flexibility rather than fighting the feeling works better right now.

☾ Moon △ Trine ♁ natal Chiron

Over the coming weeks, you find it easier to talk about things that normally feel difficult or embarrassing. Your **natural openness right now makes it safer to be honest with trusted people** about insecurities or past hurts. This temporary softness in how you approach your own pain means conversations become less defensive and more genuine.

♃ Jupiter ☉ Opposition ♀ natal Venus

Right now you're spending money and making commitments faster than usual, and you're not feeling satisfied no matter what you get. You might overextend yourself socially or financially because you keep thinking the next thing will finally feel like enough. This period pushes you to notice where you're using purchases or relationships to fill an emotional gap that actually needs something else.

☉ Sun ☐ Square ♃ Jupiter

Right now you're likely **overestimating what you can handle** and taking on more than makes practical sense. *Sun* square *Jupiter* pushes you to act bigger and bolder than your actual circumstances support, which sets you up for overcommitment and disappointment. The friction here teaches you where your real limits are, but only after you've already stretched too far.

☉ Sun ☐ Square ♄ Saturn

Right now you're running into real obstacles when you try to move forward with what you want. **You feel blocked by rules, other people's expectations, or your own self-doubt**, and pushing harder usually just makes things worse. The practical thing to do is slow down, check what's actually realistic, and accept that some goals need more time or a different approach.

☉ Sun ☐ Square ♇ Pluto

Right now you feel **pushed to prove yourself** in ways that feel uncomfortable or unnecessary. Everyone around you seems more irritable, defensive, or bent on getting their way without compromise. This period brings out the part of you that resists being told what to do, and small conflicts can quickly turn into power struggles.

LUNAR DAY

Moon in ♒ Aquarius · Day 24 / 30 · Last Quarter

Emotional detachment increases these days, making abstract discussions and group concerns feel more engaging than personal ones. People respond better to logic than to feeling right now, and the need for independence runs noticeably higher.

CLOTHING & JEWELRY
