KEY TRANSIT FACTORS

♊ NNode ☌ Conjunction ♅ natal Uranus ★

These days you feel a stronger pull toward **breaking your usual routines and trying something unconventional**. You might suddenly want to change how you work, spend time with different people, or reject habits that no longer feel right. This period pushes you to act on independence impulses that have been sitting quietly in the background.

♊ NNode ☌ Opposition ☾ natal Moon ★

Over the coming weeks, you feel **pulled between what makes you feel safe and what people around you actually need from you**. Your instinct is to retreat into familiar comfort, but others are asking you to show up differently, and ignoring them creates real tension in your relationships. This clash between your emotional habits and external demands won't resolve quickly, but it will force you to recognize which patterns no longer serve anyone.

♁ Chiron ☌ Opposition ♆ natal Neptune

Over the coming weeks, you become aware of ways you have been avoiding practical reality by retreating into fantasy or wishful thinking. Your usual escape routes stop working, and you feel **exposed and raw when you cannot slip away into daydreams**. This discomfort is real, but it is also pointing you toward the concrete problems you need to address instead of imagining them away.

♊ NNode ☌ Trine ♃ natal Jupiter

These days you're naturally drawn toward people and situations that expand your world in practical ways. You find yourself **saying yes to opportunities** that normally would feel risky, and they tend to work out because you're reading social situations more accurately than usual. This is a good window to pursue something you've been putting off — a conversation, a course, a connection — because your timing and judgment are genuinely sharper right now.

☿ Mercury ☌ Opposition ♂ natal Mars

Right now you're more likely to say things you regret, especially when someone disagrees with you or moves too slowly. Your **impatience with others' words and ideas** is heightened, making conversations feel combative even when they don't need to be. Over the coming weeks, watch for a pattern where you interrupt, argue about details, or push your point too hard instead of listening.

☉ Sun ☌ Square ♂ natal Mars

Right now you feel **irritable and impatient** with anyone who moves slower than you want them to. Your frustration comes out quickly, and you might say things sharply or push for action before people are ready. This friction between what you want to do immediately and what actually needs to happen teaches you where your expectations don't match reality.

☉ Sun ☌ Conjunction ♃ natal Jupiter

Right now you feel more confident about your abilities and less worried about what could go wrong. You are **more willing to take on bigger challenges** and speak up in situations where you normally stay quiet. This period tends to bring real opportunities your way because you are actually showing up differently, not because of luck.

☉ Sun ☐ Square ☿ Uranus

Right now you are more **restless and impatient with routine**, which makes it harder to stick to normal responsibilities or follow through on what you started. You want to break free from constraints, but the practical world does not cooperate, so you feel trapped between what you want to do and what you have to do. This psychological friction can push you toward reckless decisions if you do not find a safe outlet for the urge to rebel.

LUNAR DAY

Moon in ♍ Virgo · Day 17 / 30 · Full Moon

Attention sharpens on what is not working right now — small errors and inefficiencies become harder to ignore than usual. **The tendency to organize, correct, and refine** runs stronger for the next day or two, sometimes at the cost of the bigger picture.
