## KEY TRANSIT FACTORS

### ☾ Moon \* Sextile ♃ natal Jupiter ★

You feel **more generous and open to other people** right now, which makes conversations easier and helps you connect with others without overthinking things. Your mood is lighter, and you're more likely to say yes to social invitations or to help someone out without keeping score. This is a good window to ask for what you need or to approach someone you've been meaning to reach out to, because you come across as relaxed and genuinely interested in them.

### ♂ Mars \* Sextile ☉ natal Sun ★

Right now you feel **naturally motivated to get things done** without pushing yourself too hard. Your confidence is steady, and you tackle practical tasks at work or home with clear direction and follow-through. This is an ideal window to start a project or commit to something you've been thinking about, because your actions line up with what actually matters to you.

### ☿ Mercury ∟ Semi sextile ♁ natal Chiron

These days you find it easier to talk about things that usually feel difficult or tender. Your words seem to land better when you explain your past hurts or current worries to people who matter. This period supports **clearer communication about pain**, making it simpler to get help or understanding from others without feeling like you're burdening them.

### ☉ Sun □ Square ♇ natal Pluto

Right now you are **pushing hard against people or situations that feel controlling**, and this is likely to create real friction in your relationships and work. You may notice you are more irritable than usual, especially when someone challenges your authority or when you feel your independence is being threatened. Over the coming weeks, this friction will either force you to set clearer boundaries or lead you into unnecessary conflicts that exhaust you.

### ♀ Venus □ Square ♀ natal Venus

These days you feel **restless about what you want** and find it hard to settle on anything that normally makes you happy. You might pick fights with people you care about over small things, or suddenly feel disconnected from activities and relationships that usually feel satisfying. This friction between what you think you should want and what you actually want right now can push you to figure out what really matters to you, even though it feels uncomfortable while it lasts.

### ☿ Mercury Rx • ♏ Scorpio

Communication about sensitive or private matters is particularly prone to misunderstanding during this period. Past secrets, investigations, or unresolved trust issues may resurface and demand honest attention. What you hesitate to say is often more important than what you actually say right now.

### ♀ Venus Rx • ♎ Libra

The foundations of your most significant partnerships are under review during this period. Imbalances in give-and-take that were tolerated before become harder to ignore. Avoid making major relationship decisions — finalizing commitments or ending things — until you have had enough time to see the full picture.

## ♄ Saturn Rx · ♈ Aries

Structures built on impulse rather than genuine foundation are being tested right now. Rules and commitments that felt constraining may now feel simply necessary. This period asks you to distinguish between the discipline you are avoiding and the limits that are genuinely serving your growth.

### ☉ Sun ♂ Conjunction ♀ Mercury

These days your mind feels clearer and you're more likely to speak up about what you actually think. **You say things more directly** and people tend to listen because you sound confident. This is a practical time to have conversations you've been putting off or to explain yourself without second-guessing every word.

### ☉ Sun ☿ Quincunx ♄ Saturn

Right now you feel a mismatch between what you want to do and what seems practical or allowed. You might push forward with a plan only to run into a real obstacle that makes you reconsider, or hold back when you actually have a real opportunity. **This awkward timing between your drive and your responsibilities** means you cannot simply act on instinct—you need to adjust, compromise, or wait for better conditions.

### ☾ Moon ☐ Square ♀ Mercury

Right now your **feelings and thoughts are working against each other**, making it hard to say what you actually mean. You might feel irritated or misunderstood because your emotions are moving faster than your ability to explain them. These days conversations tend to go sideways even when you're trying to be clear, because *Moon* and *Mercury* are pulling in opposite directions.
