KEY TRANSIT FACTORS

♅ Uranus ♂ Conjunction ♁ natal NNode ★

You're feeling a strong pull to break free from patterns that no longer fit, and you're more willing than usual to take social or practical risks to get there. **You're restless with the familiar** and drawn to people or groups who think differently than your usual circles. These days your instinct is to test new directions, even if they feel uncomfortable, because staying put feels impossible.

♅ Uranus △ Trine ♃ natal Jupiter ★

You are feeling unusually **open to new possibilities** and willing to try things you normally wouldn't consider. Your confidence is high right now, and you're noticing opportunities appear without you having to force them—people invite you to things, conversations lead somewhere unexpected, or a practical problem suddenly has a solution you hadn't seen before. This period supports taking calculated risks or making changes you've been thinking about, because your instinct for what will actually work is sharp.

♅ Uranus ♀ Opposition ☾ natal Moon ★

Your **emotional habits feel unreliable right now**, and the people close to you notice the shift even if you don't fully understand it yourself. You're more likely to say or do things that surprise your family, and old routines that usually comfort you feel stifling instead. Over the coming weeks, this restlessness will push you to question whether your relationships and domestic life actually work for you, or whether you've just been going along with them.

♁ NNode ♂ Conjunction ♁ natal Lilith

These days you are more willing to say no to people and situations that feel wrong to you, even if it disappoints others. You notice yourself **setting boundaries without guilt** in ways that used to feel risky or selfish. This shift in your practical relationships will likely last several weeks as you test out what it actually feels like to prioritize your own comfort.

♃ Jupiter ♀ Opposition ♁ natal NNode

Over the coming weeks, you're likely to **overcommit yourself** and take on more than you can realistically handle. Your usual sense of what fits your life gets temporarily skewed, and you end up saying yes to opportunities that pull you away from what actually matters to you. This period asks you to notice where you're spreading yourself too thin and to start saying no more often.

♄ Saturn Rx · ♊ Gemini

Mental discipline and consistency in communication are being tested right now. Projects that require sustained intellectual effort may expose areas where your commitment has been shallow. Returning to half-finished work rewards you more during this period than starting fresh.

☉ Sun ∟ Semi sextile ☾ Moon

These days you find it easier to **act on what you actually feel** instead of second-guessing yourself. Your emotional reactions and your practical choices line up more naturally, so you waste less energy fighting your own instincts. This makes conversations smoother and decisions quicker because you're not pulling yourself in opposite directions.

☉ Sun □ Square ♂ Mars

Right now you feel **irritable and impatient** with anyone who moves slower than you want them to. Your frustration comes out quickly, and you might say things sharply or push for action before people are ready. This friction between what you want to do immediately and what actually needs to happen teaches you where your expectations don't match reality.

☉ Sun △ Trine ♄ Saturn

These days you find it easier to follow through on what you say you will do, and people notice your **reliability**. Work feels less overwhelming because you can break tasks into realistic steps instead of getting stuck in your own way. The practical support is there if you use it — the Sun trine Saturn makes real effort pay off in real results.

LUNAR DAY

Moon in ♋ Pisces · Day 3 / 30 · New Moon

The boundary between personal and environmental moods blurs during this transit, making it easy to absorb the emotional state of whoever is nearby. Imagination and sensitivity both run higher, while clarity of thought and decision-making run lower for the next 48 hours.

CLOTHING & JEWELRY
