## KEY TRANSIT FACTORS

### ☉ Sun $\angle$ Semi sextile ♀ Venus $\star$

Right now you find it easier to notice what you like about people around you, and that makes your social interactions feel smoother. You're more likely to **compliment someone without overthinking it** or suggest doing something enjoyable together. This isn't a dramatic shift, but these days small acts of kindness and warmth come more naturally to you.

### ♀ Venus $\Delta$ Trine ♃ natal Jupiter

Over the coming weeks, you find it easier to feel **generous and optimistic** about what you have and what you want. People respond well to you right now because you come across as warm and genuinely interested in them. This is a good time to ask for what you need or to strengthen the relationships that matter most to you.

### ☉ Sun $q\chi$ Quincunx ♃ natal Jupiter

While this lasts, you feel pulled between wanting to take action on your plans and feeling uncertain whether you're ready. Your confidence and your sense of what's realistic don't quite line up, so you end up second-guessing decisions you normally make without much thought. The practical move right now is to slow down and **check your assumptions** before you commit to anything big.

### ♇ Pluto $\ast$ Sextile ☾ natal Moon

You find it easier right now to talk about what you actually feel instead of keeping things hidden. Your **emotional honesty** comes across as natural and calm, so people listen and respond well. Over the coming weeks, this means conversations with family or close friends become more real and less guarded.

### ☉ Sun $\angle$ Semi sextile ♁ natal Uranus

These days you feel **more willing to try new approaches** without forcing big changes or making yourself uncomfortable. You notice small opportunities to do ordinary things differently, and they actually work out. This is a good time to test small experiments in your work or routines because your usual caution is relaxed just enough to let you be flexible.

### ♀ Venus $\circ$ Conjunction ♁ natal Uranus

Right now you feel **restless in relationships and less interested in routine affection**. You may suddenly want more independence from a partner or find yourself drawn to people who seem unconventional or exciting. These days *Venus* crossing *Uranus* makes you crave something different, so your usual patterns in romance or friendships feel boring by comparison.

### ☿ Mercury **Rx** $\cdot$ ♉ Taurus

Mental processes slow noticeably and a stubbornness in thinking makes it harder than usual to change your mind. These days you may return to financial decisions, possessions, or value-related questions that seemed settled. Take your time — the careful review you do now will save costly corrections later.

☉ Sun ☐ Square ♄ Saturn

Right now you're running into real obstacles when you try to move forward with what you want. **You feel blocked by rules, other people's expectations, or your own self-doubt**, and pushing harder usually just makes things worse. The practical thing to do is slow down, check what's actually realistic, and accept that some goals need more time or a different approach.

☉ Sun ☐ Square ♇ Pluto

Right now you feel **pushed to prove yourself** in ways that feel uncomfortable or unnecessary. Everyone around you seems more irritable, defensive, or bent on getting their way without compromise. This period brings out the part of you that resists being told what to do, and small conflicts can quickly turn into power struggles.

LUNAR DAY

Moon in ♎ Libra · Day 12 / 30 · Waxing Gibbous

**The social atmosphere becomes more diplomatic** during this transit, with more care taken to avoid unnecessary friction. Decisions slow down as multiple perspectives get weighed, and outright conflict feels harder to initiate than usual.
