KEY TRANSIT FACTORS

♄ Chiron ∠ Semi sextile ♀ natal Venus · peak 22 Dec

You find yourself noticing what you actually need from people around you instead of just accepting whatever comes. This clarity helps you express your preferences without guilt or over-explaining yourself. Your relationships feel more **honest and straightforward** over the coming weeks because you're willing to say what matters to you.

♄ Saturn ☉ Opposition ☉ natal Sun · peak 10 Dec

Right now you feel **worn down by demands** on your time and energy, and others seem to expect more from you than feels realistic. You notice yourself saying no more often, or feeling resentful when you do say yes, because your reserves are genuinely low. These weeks will test whether you can be honest about your limits instead of pushing through until you break.

♅ Uranus △ Trine ♂ natal Mars · peak 17 Dec

These days you feel **willing to try things in new ways** without the usual hesitation that normally holds you back. Your practical actions become more flexible, and you find yourself breaking your own rules in ways that actually work out well. Over the coming weeks this confidence gives you the freedom to pursue goals that once seemed too risky or unconventional.

♄ Chiron * Sextile ♂ natal Mars · peak 5 Dec

Right now you're finding it easier to **push through physical challenges without getting frustrated**, whether that's a nagging injury, fatigue, or something you've been avoiding at the gym. *Chiron* sextile your *Mars* is giving you a practical way to work with your body instead of against it. Over the coming weeks, you'll notice you can talk about what hurts without shame and actually do something constructive about it.

♄ Saturn qx Quincunx ♄ natal Saturn · peak 17 Dec

These days you notice your usual routines feel slightly off balance, as if the structure you rely on no longer fits quite right. You might find yourself **adjusting your approach to work or discipline** more often than usual, catching small inefficiencies you'd overlooked before. This discomfort is temporary and often points to practical changes worth making once this period passes.

♅ Uranus qx Quincunx ♀ natal Venus · peak 1 Dec

Right now you feel pulled in opposite directions about what you want from relationships and money. You might suddenly lose interest in something that mattered to you last week, or you find yourself **restless with routines** that used to feel comfortable. These impulses don't last long, but while they're here, you need to sit with the discomfort rather than act on every urge to change things.

♄ Saturn qx Quincunx ♀ natal Venus · peak 31 Dec

Over the coming weeks, you may feel **awkward or hesitant in relationships** even though you want to be close to someone. Small gestures of affection or attempts to connect might feel clumsy or poorly timed, leaving you wondering if you are doing things right. This is temporary friction between what you want emotionally and what feels practical or safe right now.

♁ NNode ☿ Quincunx ♂ natal Mars · peak 31 Dec

Over the coming weeks, you'll notice your usual way of taking action feels slightly off, as if what normally works requires a small adjustment. You might hesitate before speaking up or pushing forward, then suddenly act without your usual preparation, creating an awkward rhythm. This is a good time to notice where you act on instinct versus where you benefit from pausing to check your direction first.

♃ Jupiter * Sextile ♁ natal NNode · peak 31 Dec

Over the coming weeks, you find it easier to say yes to opportunities that align with what you actually want to do. You're less hesitant about taking small steps toward goals you've been thinking about, and **people around you tend to be more supportive when you ask for help or feedback**. This isn't about luck—it's that you're acting with more confidence, and others respond to that.

♄ Saturn ♂ Conjunction ☾ natal Moon · peak 1 Dec

You're feeling more **serious and withdrawn** right now, and your usual emotional needs feel heavier than normal. You might notice you're less interested in socializing or seeking reassurance, and instead you want to handle things alone and think things through carefully. This period pushes you to look at your emotional life more honestly, even if it feels uncomfortable or makes you seem quieter than usual.

♆ Neptune ☐ Square ♃ natal Neptune · peak 1 Dec

You're finding it harder right now to trust your own judgment about what's real and what you're imagining. Your sense of direction—both practical and psychological—feels foggy, and you may catch yourself **making decisions based on wishful thinking rather than facts**. These days your instinct to escape or avoid difficult situations is stronger than usual, and giving in to that impulse will only create more problems down the line.

♇ Pluto ☐ Square ♅ natal Pluto · peak 1 Dec

Right now you are **fighting against your own need to control things**, and this makes everyday situations feel like power struggles. You might find yourself pushing harder in relationships or at work, only to meet resistance that frustrates you more. While this lasts, the practical lesson is that forcing your agenda does not work—stepping back and observing what is actually happening around you will show you where you have real influence and where you do not.

♃ Jupiter △ Trine ☾ natal Moon · peak 31 Dec

Right now you find it easier to feel **emotionally settled and optimistic** about your life, even when things aren't perfect. People around you respond to this shift, and you attract more genuine support and kindness without having to ask for it. Over the coming weeks, you're likely to make decisions about your home, family, or personal comfort that actually work out well because you're listening to what you truly need instead of what you think you should want.

♆ Neptune ♂ Opposition ♀ natal Mercury · peak 31 Dec

These days your thinking feels foggy and it takes real effort to concentrate on practical tasks like work or problem-solving. You may find yourself **second-guessing what you heard** in conversations or mixing up important details because *Neptune* is blurring your usual *Mercury* clarity. Over the coming weeks, this confusion can affect your decisions, so writing things down and checking facts twice will protect you from avoidable mistakes.

♄ Saturn ♂ Opposition ♁ natal NNode · peak 1 Dec

Right now you feel **pulled backward into old patterns** when you try to move forward on anything meaningful. People around you seem to expect you to stay in a familiar role, and resisting them feels uncomfortable and isolating. Over the coming weeks you will need to choose between comfort and growth, and that choice will feel less like an opportunity and more like a real loss.

♃ Jupiter Rx · ♈ Aries

Expansion and confidence retreat inward during this period, and bold initiatives launched recently may feel overextended. The impulse to charge forward is replaced by a quieter, more honest review of where your genuine optimism is warranted. Reassessment serves you better than new beginnings right now.

PROGRESSED MOON

- Progressed Moon in ♊ Gemini 27.6° H10
- Progressed Moon * Sextile ♂ natal Mars

LUNATIONS

○ Full Moon · Friday, 4 Dec

in ♊ Gemini

information peak, scattered focus, mental overload

in H10 — Career & Reputation

Your professional life and public reputation are under full illumination. A **career achievement, recognition, or significant turn in your public standing** is reaching its peak. This is often the full moon associated with promotions, public moments, or a situation at work coming to a decisive point. How others see you professionally is clarified now — for better or worse. What you've built toward is visible, and so are the gaps between your ambitions and your current reality.

● New Moon · Monday, 21 Dec

in ♐ Sagittarius

new beliefs, expansion, broader horizons

in H4 — Home & Family

A fresh chapter is beginning in your domestic life and inner world. Whether that means **a change of home, a shift in family dynamics**, or a renewed commitment to building emotional security, this lunation asks you to look at your roots. What you choose to build or let go of in your home environment now will shape your sense of belonging for months to come. Private matters deserve deliberate attention.

KEY DATES

Tue, 1 Dec ♃ Jupiter * Sextile ♃ natal NNode

♄ Saturn ♂ Conjunction ☾ natal Moon

♆ Neptune □ Square ♆ natal Neptune

♇ Pluto □ Square ♇ natal Pluto

Fri, 4 Dec ☿ Mercury enters ♐ Sagittarius

Full Moon in Gemini

Mercury in *Sagittarius* brings **direct, blunt communication** — people say what they think without much filtering, which can clear the air or create awkward moments depending on who's listening. At work and in conversations, you'll notice **big-picture talk** taking over, with less patience for small details or nitpicking, so getting agreements in writing becomes more important. *Sagittarius* also pushes curiosity and debate, so **arguments stay friendly** longer than usual, even when people disagree strongly.

Sat, 5 Dec ♄ Chiron * Sextile ♂ natal Mars

Sun, 6 Dec ♅ Uranus △ Trine ♂ natal Mars

Thu, 10 Dec ♄ Saturn ♂ Opposition ☉ natal Sun

Mon, 14 Dec ♄ Chiron * Sextile ♂ natal Mars

Wed, 16 Dec ♃ Jupiter stations Direct

Jupiter turning **direct again** means opportunities and decisions that felt stuck or unclear over the past months can finally move ahead with real momentum. What becomes **clearer now** is whether plans, applications, or deals are actually going to work — delays lift and you get actual answers instead of waiting. **Growth starts moving** in the areas where *Jupiter* sits in your chart, so watch for openings in money, work, relationships, or learning that were on pause during the retrograde.

Thu, 17 Dec ♅ Uranus △ Trine ♂ natal Mars

Mon, 21 Dec New Moon in Sagittarius

Tue, 22 Dec ☉ Sun enters ♑ Capricorn

♀ Venus enters ♒ Aquarius

The Sun moving into *Capricorn* shifts focus toward **getting results** and **building something real** — you'll notice people around you tightening routines, setting deadlines, and cutting away what doesn't work. At work and in projects, there's a **push for efficiency** over comfort, so meetings get shorter, decisions happen faster, and people care less about feelings and more about the bottom line. In relationships and friendships, expect **less small talk** and more honest conversations about what actually matters — this is when people check in on whether things are moving forward or just stalling.

Wed, 23 Dec ☿ Mercury enters ♑ Capricorn

Mercury entering *Capricorn* shifts how you talk and think toward **practical results** — you'll notice yourself cutting out small talk and focusing on what actually matters at work or in conversations. People around you tend to **respect the directness** more during this time, even if your words feel plainer than usual, because *Capricorn* makes communication **efficient and honest**. At work especially, **planning and problem-solving** feel sharper; *Mercury* here rewards you for thinking several steps ahead instead of reacting on the spot.

Thu, 31 Dec ♃ Jupiter * Sextile ♃ natal NNode
