♁ North Node	in	♊ Gemini	20°45'24"	X Rx
♁ Lilith	in	♐ Sagittarius	4°28'48"	IV

### KEY TRANSIT FACTORS

#### ♅ Uranus △ Trine ♄ natal Chiron · peak 31 Jan ★

Right now you find it easier to **talk about things that usually stay hidden**, and people respond well when you do. Your practical understanding of what went wrong in past situations sharpens, letting you explain your own patterns without judgment. Over the coming weeks this shift in clarity can help you move through old hurts in a straightforward way rather than getting stuck in them.

#### ♄ Saturn △ Trine ♂ natal Mars · peak 1 Jan

Right now you're able to **push toward your goals without burning out**, because you have patience alongside your drive. You naturally pace yourself better than usual, finishing projects instead of starting ten new ones. Over the coming weeks, people notice you're reliable and steady, which builds real respect at work and in your personal life.

#### ♃ Jupiter □ Square ☉ natal Sun · peak 7 Jan

Right now you are **overestimating what you can handle**, and this confidence is pulling you into commitments that drain your resources faster than you expected. *Jupiter* is amplifying your sense of possibility while *Sun* pushes you to prove yourself, making it hard to say no or admit limits. Over the coming weeks you will likely hit a wall—exhaustion, overspending, or failed promises—that forces you to recalibrate what actually matters to you.

#### ♁ NNode \* Sextile ☉ natal Sun · peak 28 Jan

Over the coming weeks, you find it easier to **say yes to opportunities that actually fit who you are**. People seem to notice your confidence and invite you into situations where you can be yourself without pretending. This is a practical window to take on roles or projects that match your actual strengths rather than what you think you should be doing.

#### ♁ NNode ∟ Semi sextile ♄ natal Saturn · peak 11 Jan

Over the coming weeks, you find it easier to **follow through on commitments** without feeling weighed down by them. Your practical instincts are working well with your sense of direction, so you can make real progress on goals that matter. This is a good time to take on responsibility because you actually feel capable of handling it.

#### ♃ Jupiter △ Trine ♀ natal Venus · peak 23 Jan

Right now you're naturally more **generous and open-handed** with people around you, and they notice. You find it easier to say yes to invitations, spend money on things that bring you joy, and let others see you enjoying yourself without guilt. This practical shift in how you move through social situations tends to bring more warmth back to you from the people in your life over these coming weeks.

#### ♇ Pluto △ Trine ♇ natal Pluto · peak 31 Jan

You feel more **willing to let go of things that no longer serve you**, whether that's old habits, relationships, or ways of thinking that have held you back. This shift happens naturally rather than through force, and you find yourself making practical changes without the usual resistance or drama. Over the coming weeks, you'll notice you have clearer sight of what actually needs to change in your life and the patience to follow through.

#### ♃ Jupiter ☌ Quincunx ♂ natal Mars · peak 28 Jan

Over the coming weeks, you may notice your usual drive and confidence don't quite match up with what's actually possible right now, leaving you **frustrated when plans don't move as fast as you want them to**. *Jupiter* is expanding your ambitions while *Mars* pushes for quick action, but the two are pulling in slightly different directions. You might waste energy on projects that start with excitement but need to be adjusted or abandoned halfway through.

#### ♃ Jupiter △ Trine ♃ natal Saturn · peak 12 Jan

You find it easier right now to follow through on plans you've been putting off because **you're motivated without feeling rushed**. Your confidence in what you can actually do grows, so you stop second-guessing yourself and just move forward. Over the coming weeks, this steadiness pays off—projects gain real momentum and you see concrete results.

#### ♇ Pluto ☌ Quincunx ♃ natal Mercury · peak 1 Jan

While this lasts, you may notice that your usual way of explaining yourself stops landing the way it normally does. Your thoughts feel scrambled when you try to communicate what you actually mean, and others seem to misunderstand your point more often than usual. This **mental friction** between what you think and what comes out is temporary, so slowing down before you speak or write can help bridge the gap.

#### ♃ Jupiter □ Square ♄ natal Moon · peak 1 Jan

Right now you feel **emotionally restless and dissatisfied** with situations that normally comfort you, like time with family or your home routine. You might overcommit yourself or make promises you cannot keep because your judgment about what you can actually handle is off. Over the coming weeks, this mismatch between what you want and what is realistic creates friction in your personal relationships and leaves you feeling bloated rather than nourished.

#### ♅ Uranus ♂ Opposition ♇ natal Pluto · peak 1 Jan

You're running into situations where you feel your control slipping away, and it makes you uncomfortable. **You push harder to regain power** in exactly the areas where you have the least influence, which only creates more conflict with others. Over the coming weeks, you'll need to notice when you're fighting to keep things the same instead of accepting what you cannot change.

#### ♄ Saturn □ Square ♀ natal Venus · peak 1 Jan

Right now you feel **withdrawn and critical** about your relationships, noticing flaws that bother you more than usual. People may seem demanding or disappointing, and you're less interested in socializing or physical affection during this period. This temporary hardness comes from *Saturn* pressing on your *Venus*, making emotional closeness feel like work rather than pleasure.

#### ♃ Jupiter □ Square ♃ natal NNode · peak 1 Jan

Over the coming weeks, you may feel pulled to take on more than you can reasonably handle, which can frustrate your actual sense of direction. Your **confidence outpaces your judgment**, making you say yes to opportunities that don't fit your real priorities or skills. This misalignment between what you think you should do and what actually works for you creates unnecessary setbacks and wasted effort.

#### ♃ NNode ∠ Semi sextile ♀ natal Venus · peak 1 Jan

Right now you find it easier to **say yes to social invitations and connect with people who actually matter to you**. You're noticing that conversations flow more naturally and that you attract people who seem genuinely interested in what you have to offer. These small social wins build a sense that you belong in your own circles again.

*\* = natal resonance — this transit echoes your birth chart, amplifying its influence*

### PROGRESSED MOON

---

- Progressed Moon in ♏ Scorpio 23.6° H3
- Progressed Moon ☌ Quincunx ☉ natal Sun
- Progressed Moon △ Trine ♃ natal Saturn

### LUNATIONS

---

- Full Moon · Friday, 1 Jan

#### in ♋ Cancer

emotional culmination, family matters, inner needs surface

#### in H11 — Community & Goals

A friendship, group affiliation, or long-held hope is reaching its culmination. Something that began as a shared goal or community connection is now **showing its true shape** — whether that means a meaningful bond being cemented or a misalignment in values becoming clear. This full moon often brings a resolution around social belonging: who your people actually are, which dreams remain worth pursuing, and which ones need to be updated based on who you've become.

---

● New Moon · Monday, 18 Jan

in ♑ **Capricorn**

long-term goals, ambition, structural reset

in H5 — **Creativity & Romance**

A new creative or romantic cycle is opening. This lunation brings **fresh energy to self-expression, passion, and pleasure** — it's the right moment to begin a creative project, allow yourself to be seen fully in a relationship, or bring more play and joy into your daily life. Children, art, and anything that makes your heart lighter all carry special significance now. What you initiate here connects directly to your happiness.

---

#### KEY DATES

---

**Fri, 1 Jan** Full Moon in Cancer

♄ Saturn △ Trine ♂ natal Mars

♅ Uranus ♀ Opposition ♇ natal Pluto

---

**Tue, 5 Jan** ♀ Venus enters ♒ Aquarius

*Venus* in *Aquarius* makes people **less interested in traditional relationship rules** and more drawn to friends, group settings, or unconventional arrangements. In practice, you might notice yourself **valuing independence and honesty** over romantic gestures, or finding that casual friendships suddenly feel more appealing than intense one-on-one bonds. At work and in daily life, this transit brings a **cooler, more detached approach** to money and socialising—you'll likely spend less on impulsive buys and prefer people who let you do your own thing.

---

**Thu, 7 Jan** ☿ Mercury enters ♑ Capricorn

♄ Chiron enters ♐ Sagittarius

♃ Jupiter □ Square ☉ natal Sun

*Mercury* entering *Capricorn* shifts how you talk and think toward **practical results** — you'll notice yourself cutting out small talk and focusing on what actually matters at work or in conversations. People around you tend to **respect the directness** more during this time, even if your words feel plainer than usual, because *Capricorn* makes communication **efficient and honest**. At work especially, **planning and problem-solving** feel sharper; *Mercury* here rewards you for thinking several steps ahead instead of reacting on the spot.

---

**Mon, 11 Jan** ♄ Saturn △ Trine ♂ natal Mars

---

**Tue, 12 Jan** ♃ Jupiter △ Trine ♄ natal Saturn

---

**Sun, 17 Jan** ♁ NNode \* Sextile ☉ natal Sun

---

**Mon, 18 Jan** New Moon in Capricorn

---

**Thu, 21 Jan** ☉ Sun enters ♒ Aquarius

*Sun* in *Aquarius* brings a **shift toward independence** and a stronger need to do things your own way instead of following the usual pattern. At work and in conversations, you'll **notice people speak up more** about ideas that feel different or go against what everyone expects. In relationships and friendships, **distance often increases** slightly as people pull back to focus on their own projects and interests rather than staying close to the group.

---

**Sat, 23 Jan** ♃ Jupiter △ Trine ♀ natal Venus

---

**Sun, 24 Jan** ♇ Pluto △ Trine ♇ natal Pluto

---

**Tue, 26 Jan** ☿ Mercury enters ♒ Aquarius

♂ Mars enters ♏ Scorpio

*Mercury* in *Aquarius* brings **clearer, more direct communication** — people tend to say what they actually think instead of softening their words, which works well in meetings but can feel blunt in casual conversations. At work and in friendships, you'll notice **more focus on logic and ideas** rather than emotions, making this a good time for problem-solving but a trickier period if someone needs emotional support. *Aquarius* also pushes thinking toward the **bigger picture**, so conversations shift from daily complaints to plans, systems, and what-if scenarios that feel more interesting but less immediately practical.

---

**Thu, 28 Jan** ♁ NNode \* Sextile ☉ natal Sun

---

**Fri, 29 Jan** ♀ Venus enters ♓ Pisces

*Venus* in *Pisces* makes people **softer and more forgiving** in how they treat others, so you might find yourself saying yes to requests you'd normally turn down or letting old arguments go without needing to rehash them. In relationships and work, this transit brings **less direct communication** — people get quieter, drop hints instead of asking straight out, and assume others understand what they want without saying it. *Venus* here also pulls attention toward **feeling appreciated through small gestures** like a text check-in or someone remembering how you take your coffee, rather than big declarations or expensive gifts.

---

**Sun, 31 Jan** ♇ Pluto △ Trine ♇ natal Pluto
