## KEY TRANSIT FACTORS

### ♁ NNode ☉ Conjunction ☉ natal Sun · peak 31 Dec ★

Right now you feel **pulled toward doing things that matter to you personally**, even if they're not what others expect. You notice you care less about fitting in and more about showing up as yourself in conversations and decisions. Over the coming weeks, this shift might create friction in relationships where you've usually compromised, but it also clarifies what you actually want.

### ♇ Pluto \* Sextile ♁ natal Chiron · peak 2 Dec

Right now you find it easier to **talk about past hurts without getting stuck in them**, which means conversations about difficult experiences feel less raw than usual. You're more willing to listen to other people's pain too, and they seem to respond by opening up to you in ways that deepen your relationships. Over the coming weeks, this natural confidence in handling hard topics gives you a practical advantage in resolving conflicts that have been hanging around.

### ♄ Saturn \* Sextile ♇ natal Pluto · peak 21 Dec

You find it easier to **stick with difficult changes** right now without feeling overwhelmed by them. This period supports you in handling practical problems that need real commitment, like restructuring your finances or ending a relationship that no longer works. *Saturn* and *Pluto* are helping you make tough decisions with a clear head and then follow through without second-guessing yourself.

### ♁ NNode \* Sextile ♂ natal Mars · peak 24 Dec

You find yourself **taking action on things that matter to you without overthinking**, and people respond well to your straightforward confidence. Over the coming weeks, opportunities show up because you're willing to put yourself forward instead of holding back. Your practical energy right now is contagious, and you're likely to accomplish more by simply doing rather than planning.

### ♅ Uranus \* Sextile ☾ natal Moon · peak 1 Dec

These days you feel more willing to break your own routines and try things that normally make you uncomfortable, which often leads to pleasant surprises. You might suddenly want to rearrange your living space, change your sleep schedule, or suggest a spontaneous trip to someone close to you without overthinking it. This period brings an **openness to doing things differently** in your personal life, and people around you likely notice you seem lighter and more flexible than usual.

### ♅ Uranus △ Trine ☉ natal Sun · peak 31 Dec

Over the coming weeks, you feel more willing to break your usual routines and try things differently without the anxiety that normally holds you back. You become **spontaneous and experimental** in how you approach your work, relationships, or personal projects, and these changes actually seem to work out well. *Uranus* trine your *Sun* gives you the confidence to be authentic and independent right now, so new opportunities show up when you stop forcing the old way of doing things.

### ♄ Saturn ∟ Semi sextile ☿ natal Mercury · peak 31 Dec

Your thinking becomes more **organized and deliberate** right now, which makes it easier to plan projects and break down complicated tasks into manageable steps. You find yourself naturally wanting to double-check your work and verify details before moving forward, and this careful approach pays off in fewer mistakes. This steadier mental discipline helps you communicate with more precision, so people understand exactly what you mean without confusion.

### ♅ Uranus △ Trine ♁ natal NNode · peak 1 Dec

While this lasts, you find it easier to **break free from old patterns that no longer fit** and try something genuinely new. You feel less afraid of standing out or doing things differently than usual, and others seem to respond well to this shift in you. Over the coming weeks, this confidence in your own direction can open doors you didn't expect.

#### ♃ Jupiter ☐ Square ♄ natal Chiron · peak 1 Dec

Right now your **tendency to overestimate what you can fix** is causing real friction in your relationships and work. You are pushing too hard to solve problems that belong to other people, and they are pulling back or getting annoyed with your interference. Over the coming weeks, you will need to learn where your actual limits are by running into them repeatedly.

#### ♁ NNode ∠ Semi sextile ♀ natal Venus · peak 31 Dec

Right now you find it easier to **say yes to social invitations and connect with people who actually matter to you**. You're noticing that conversations flow more naturally and that you attract people who seem genuinely interested in what you have to offer. These small social wins build a sense that you belong in your own circles again.

#### ♃ Jupiter ∠ Semi sextile ♇ natal Pluto · peak 31 Dec

While this lasts, you find yourself **willing to take small risks that push you past old limits**. You feel a quiet confidence in your ability to handle situations that normally feel too big or demanding, and you naturally start saying yes to opportunities you would have avoided before. Over the coming weeks, this steady courage tends to open doors that lead to real personal or professional growth.

#### ♆ Neptune △ Trine ♆ natal Neptune · peak 1 Dec

Your intuition about other people becomes unusually reliable right now, and you find yourself understanding what others need without them having to explain it. You're also more comfortable sitting with uncertainty in practical situations instead of rushing to solve everything immediately. These small shifts make your relationships feel easier and give you permission to trust your gut more than usual.

#### ♅ Uranus ☒ Quincunx ♄ natal Saturn · peak 31 Dec

Your usual routines and rules suddenly feel awkward or out of sync with what you actually want to do right now. You find yourself **restless with structure** but not quite ready to abandon it, creating a frustrating gap between your need for stability and your urge to break free. Over the coming weeks, small adjustments to how you work or organize your time will feel more useful than making big changes all at once.

#### ♆ Neptune ☒ Quincunx ☿ natal Mercury · peak 31 Dec

Over the coming weeks, you may find your thinking becomes **less direct and harder to organize** than usual. You might struggle to explain your ideas clearly to others, or notice that conversations wander off track more easily. This isn't permanent—it's just *Neptune* softening your usual mental sharpness, so patience with yourself during this period will help you move through it.

#### ♇ Pluto \* Sextile ♃ natal Jupiter · peak 31 Dec

While this lasts, you feel more willing to **take calculated risks** and act on opportunities that normally would intimidate you. You're noticing that your instinct for what could work is sharper than usual, and people respond well when you pitch ideas or ask for what you need. Over the coming weeks, this confidence tends to open doors in practical areas like work, finances, or learning something new.

#### ♃ Jupiter Rx · ♋ Cancer

Emotional generosity and the expansion of close bonds may feel less available right now. Past connections, family relationships, or unresolved emotional commitments return to the foreground. Honest reflection on where your genuine care and loyalty are directed yields more than performing warmth you do not feel.

#### ♄ Saturn Rx · ♊ Gemini

Mental discipline and consistency in communication are being tested right now. Projects that require sustained intellectual effort may expose areas where your commitment has been shallow. Returning to half-finished work rewards you more during this period than starting fresh.

### in ♊ Gemini

information peak, scattered focus, mental overload

### in H10 — Career & Reputation

Your professional life and public reputation are under full illumination. A **career achievement, recognition, or significant turn in your public standing** is reaching its peak. This is often the full moon associated with promotions, public moments, or a situation at work coming to a decisive point. How others see you professionally is clarified now — for better or worse. What you've built toward is visible, and so are the gaps between your ambitions and your current reality.

● New Moon · Saturday, 15 Dec

in ✈ **Sagittarius**

new beliefs, expansion, broader horizons

in H4 — **Home & Family**

A fresh chapter is beginning in your domestic life and inner world. Whether that means **a change of home, a shift in family dynamics**, or a renewed commitment to building emotional security, this lunation asks you to look at your roots. What you choose to build or let go of in your home environment now will shape your sense of belonging for months to come. Private matters deserve deliberate attention.

**KEY DATES**

**Sat, 1 Dec** Full Moon in Gemini

♅ Uranus ✕ Sextile ☾ natal Moon  
♃ Jupiter □ Square ♁ natal Chiron  
♆ Neptune △ Trine ♆ natal Neptune

**Sun, 2 Dec** ♀ Venus enters ✈ Sagittarius

♇ Pluto ✕ Sextile ♁ natal Chiron

*Venus* in *Sagittarius* brings a **looser, more generous** approach to spending and dating, with people tending to say yes to invitations and expensive outings rather than staying home. In relationships and work, this transit makes **honesty and directness** feel more important than keeping the peace, so conversations become blunter and less filtered. Most people notice they **want variety** — sticking with the same restaurant, routine, or person feels boring — and they're more willing to try something unfamiliar or travel to a new place.

**Sun, 9 Dec** ♂ Mars enters ♋ Pisces

*Mars* in *Pisces* tends to **blur your usual drive**, making you less direct about what you want and more likely to drop hints instead of stating things plainly. At work or in relationships, people often notice they're **slower to push back** on things that bother them, or they take longer to make decisions because competing feelings keep shifting their mind. The pattern is that **physical energy dips** — you might feel less urgent about exercise or tasks, preferring to move at an easier pace until something emotional finally lights a fire under you.

**Mon, 10 Dec** ♇ Pluto ✕ Sextile ♁ natal Chiron

♅ Uranus ✕ Sextile ☾ natal Moon  
♆ Neptune △ Trine ♆ natal Neptune

**Wed, 12 Dec** ♁ Chiron enters ♑ Capricorn

*Chiron* entering *Capricorn* brings **slow, steady pressure on old limits** — you notice where you've accepted "that's just how things are" at work or in your responsibilities, and the gap between that acceptance and what you actually want starts to **feel uncomfortable**. People typically experience **harder lessons around authority**, deadlines, and self-discipline over the next few years, picking up skills they avoided before or fixing mistakes they made by cutting corners. The pattern is most visible in work situations and long-term plans, where **doing things properly** — even when it's slower or less convenient — gradually becomes less optional and more necessary.

**Sat, 15 Dec** New Moon in Sagittarius

**Sun, 16 Dec** ☿ Mercury enters ♑ Capricorn

*Mercury* entering *Capricorn* shifts how you talk and think toward **practical results** — you'll notice yourself cutting out small talk and focusing on what actually matters at work or in conversations. People around you tend to **respect the directness** more during this time, even if your words feel plainer than usual, because *Capricorn* makes communication **efficient and honest**. At work especially, **planning and problem-solving** feel sharper; *Mercury* here rewards you for thinking several steps ahead instead of reacting on the spot.

**Fri, 21 Dec** ♄ Saturn ✕ Sextile ♇ natal Pluto

**Sat, 22 Dec** ☼ Sun enters ♑ Capricorn

*The Sun* moving into *Capricorn* shifts focus toward **getting results** and **building something real** — you'll notice people around you tightening routines, setting deadlines, and cutting away what doesn't work. At work and in projects, there's a **push for efficiency** over comfort, so meetings get shorter, decisions happen faster, and people care less about feelings and more about the bottom line. In relationships and friendships, expect **less small talk** and more honest conversations about what actually matters — this is when people check in on whether things are moving forward or just stalling.

**Mon, 24 Dec** ♁ NNode ✕ Sextile ♂ natal Mars

**Wed, 26 Dec** ♀ Venus enters ♑ Capricorn

*Venus* in *Capricorn* makes people **slower to commit** but more serious once they do—you notice yourself caring less about flashy romance and more about whether someone actually shows up. At work and in friendships, this transit brings **direct conversations** about what you actually want instead of hinting around, and people generally respect the honesty. Money matters get **practical attention** too, so you're more likely to check your budget, delay impulse buys, and think about long-term value rather than what feels good right now.
