♁ North Node	in	♊ Gemini	20°45'24"	X Rx
♁ Lilith	in	♏ Sagittarius	4°28'48"	IV

### KEY TRANSIT FACTORS

#### ♄ Saturn ∟ Semi sextile ☉ natal Sun · peak 25 Jan ★

Right now you find it easier to follow through on commitments without burning out, because a quiet steadiness is backing your efforts. Your confidence stays realistic instead of swinging between overconfidence and doubt, which means you make **fewer impulsive decisions** and actually stick to what matters. This is a practical window where showing up consistently—at work, in your relationships, or on personal goals—feels natural and manageable rather than forced.

#### ♃ Jupiter △ Trine ♅ natal Uranus · peak 8 Jan ★

Over the coming weeks, you'll find yourself more willing to take practical risks and try new approaches without the usual anxiety holding you back. Your mind works faster than normal, and you spot solutions others miss because you're not stuck in old habits. This is a good time to pitch ideas at work, start something you've been putting off, or reorganize your life in ways that actually feel liberating instead of chaotic.

#### ♄ Saturn ♂ Conjunction ♀ natal Venus · peak 1 Jan ★

You are more cautious about what you want from people right now, and you may pull back from social situations that feel superficial or demanding. Your **standards for who and what you let close become stricter**, which can feel isolating but also clarifies what actually matters to you. Over the coming weeks, relationships either deepen through honest conversation or naturally fade as you stop overextending yourself.

#### ♄ Saturn ♁ Quincunx ☾ natal Moon · peak 31 Jan ★

These days you feel a mismatch between what you need emotionally and what your life is actually set up to give you. You might find yourself feeling restless or slightly out of sync in your daily routines, or noticing that **your usual comfort strategies stop working the way they normally do**. Over the coming weeks, small adjustments to how you manage your time or handle responsibilities may help you feel more settled again.

#### ♄ Saturn ∟ Semi sextile ♂ natal Mars · peak 1 Jan ★

Right now you're noticing that your efforts produce real results without requiring you to push as hard as usual. **You're working more efficiently**, and tasks that normally frustrate you feel manageable because you're approaching them with more patience than typical. Over the coming weeks, this steady support from *Saturn* to your *Mars* makes it easier to follow through on commitments without burning out.

#### ♃ Jupiter \* Sextile ☾ natal Moon · peak 31 Jan ★

Right now you feel **more at ease with what you're feeling**, and that ease spreads to how you treat the people around you. You're quicker to laugh, more patient with complaints from family or friends, and you actually listen instead of just waiting for your turn to talk. Over the coming weeks, this emotional looseness often leads to real conversations that improve your relationships or help someone feel heard by you.

#### ♃ Jupiter ☌ Conjunction ♄ natal Chiron · peak 1 Jan ★

Over the coming weeks, you're likely to feel more **willing to talk about past hurts that usually stay private**. People around you may notice you're more open and less defensive when difficult topics come up. This period can actually help you move through some old emotional blocks because you're not fighting against them as hard as usual.

#### ♆ Neptune △ Trine ♄ natal Chiron · peak 30 Jan

Over the coming weeks, you find it easier to talk about your past hurts without getting stuck in them. People seem to open up to you more readily because you listen without judgment or trying to fix things. Your **natural compassion** is flowing right now, making this a good time to help others or work through your own emotional wounds with a professional.

#### ♇ Pluto ☌ Opposition ☉ natal Sun · peak 6 Jan

Right now you feel like people are questioning your authority or pushing back against decisions you would normally make without hesitation. You may find yourself **defensive about who you are**, or noticing that your usual confidence in your own judgment has become shaky. Over the coming weeks, situations at work or in relationships will force you to examine whether you are actually as much in control as you thought you were.

#### ♁ NNode △ Trine ☌ natal Mars · peak 30 Jan

Right now you're finding it easier to take direct action on things that matter to you, and people respond well to your straightforward approach. Your **confidence and willingness to speak up** feel natural rather than forced, making it simpler to pursue what you actually want instead of holding back. Over the coming weeks, you're likely to move forward on goals or conversations you've been sitting on, and the timing works in your favour.

#### ♄ Saturn ☌ Conjunction ♄ natal Saturn · peak 14 Jan

You're experiencing a natural pause to examine what you've built and whether it still fits your life. **You feel more serious about commitments** and less willing to ignore problems you've been avoiding. Over the coming weeks, practical matters demand your attention—projects need finishing, rules need clarifying, and people around you sense you mean business.

#### ♃ Jupiter ☌ Conjunction ♃ natal Jupiter · peak 2 Jan

Over the coming weeks, you're likely to feel **more confident in your own judgment** and less interested in playing it safe. You may take on bigger projects, spend more freely, or expand your social circle without the usual second-guessing. This is when luck tends to favour people who actually move forward instead of waiting, so your timing for starting something new is genuinely better right now.

#### ♄ Chiron ☌ Opposition ♀ natal Venus · peak 3 Jan

You are noticing flaws in people you care about that you usually overlook, and it makes you question whether the relationship is worth the effort. **Your affection feels conditional right now**, and you may withdraw or become critical without meaning to. Over the coming weeks, this friction is forcing you to decide what you actually need from the people in your life instead of just going along with things.

#### ♄ Chiron ☌ Quincunx ☌ natal Mars · peak 14 Jan

Right now you're noticing that your usual way of pushing forward doesn't feel quite right, and small physical frustrations keep showing up where you'd normally feel confident. Your body might feel slightly off-beat with what your mind wants to do, making you **more aware of how you move and act** than usual. Over the coming weeks, this mismatch between intention and execution can actually help you spot habits that have been holding you back if you pay attention to what feels clunky.

#### ♇ Pluto ☌ Quincunx ♄ natal Saturn · peak 31 Jan

These days you feel caught between wanting to keep things stable and being pushed to question whether your usual routines actually work anymore. You might find yourself **rewriting rules you've lived by** or suddenly seeing flaws in systems you've trusted, which creates practical awkwardness as you adjust. Over the coming weeks, this friction between your need for control and pressure to change will likely settle once you accept that some old structures need to be rebuilt differently.

#### ♄ Saturn Rx · ♋ Cancer

The structures that support emotional security — family obligations, domestic arrangements, and habitual patterns of care — are being reassessed right now. Boundaries in close relationships may feel either too rigid or insufficiently maintained. Honest reflection on what genuinely sustains you yields more now than seeking external reassurance.

★ = natal resonance — this transit echoes your birth chart, amplifying its influence

## LUNATIONS

---

● New Moon · Tuesday, 11 Jan

in ♄ Capricorn

long-term goals, ambition, structural reset

in H5 — Creativity & Romance

A new creative or romantic cycle is opening. This lunation brings **fresh energy to self-expression, passion, and pleasure** — it's the right moment to begin a creative project, allow yourself to be seen fully in a relationship, or bring more play and joy into your daily life. Children, art, and anything that makes your heart lighter all carry special significance now. What you initiate here connects directly to your happiness.

○ Full Moon · Tuesday, 25 Jan

in ♌ Leo

recognition, drama, creative culmination

in H12 — Inner Life & Solitude

Something hidden is surfacing. This full moon illuminates **the private, unconscious, and carefully concealed aspects of your life** — old emotional patterns, self-sabotaging habits, or matters you've kept from even yourself. This is one of the most psychologically significant lunations and often coincides with a release of something that has been draining you in private. What comes to light now, though it may be uncomfortable, ultimately creates space for genuine renewal.

#### KEY DATES

**Sat, 1 Jan** ♄ Saturn ☌ Conjunction ♀ natal Venus

**Sun, 2 Jan** ♃ Jupiter ☌ Conjunction ♃ natal Jupiter

**Mon, 3 Jan** ♄ Chiron ☌ Opposition ♀ natal Venus

**Thu, 6 Jan** ♇ Pluto ☌ Opposition ☉ natal Sun

**Sat, 8 Jan** ♃ Jupiter △ Trine ☽ natal Uranus

**Mon, 10 Jan** ☿ Mercury enters ♄ Capricorn

♀ Venus enters ♄ Capricorn

♄ Chiron ☌ Opposition ♀ natal Venus

*Mercury* entering *Capricorn* shifts how you talk and think toward **practical results** — you'll notice yourself cutting out small talk and focusing on what actually matters at work or in conversations. People around you tend to **respect the directness** more during this time, even if your words feel plainer than usual, because *Capricorn* makes communication **efficient and honest**. At work especially, **planning and problem-solving** feel sharper; *Mercury* here rewards you for thinking several steps ahead instead of reacting on the spot.

**Tue, 11 Jan** New Moon in Capricorn

**Fri, 14 Jan** ♄ Saturn ☌ Conjunction ♄ natal Saturn

**Mon, 17 Jan** ♇ Pluto ☌ Opposition ☉ natal Sun

♃ Jupiter △ Trine ☽ natal Uranus

**Thu, 20 Jan** ☉ Sun enters ♒ Aquarius

*Sun* in *Aquarius* brings a **shift toward independence** and a stronger need to do things your own way instead of following the usual pattern. At work and in conversations, you'll **notice people speak up more** about ideas that feel different or go against what everyone expects. In relationships and friendships, **distance often increases** slightly as people pull back to focus on their own projects and interests rather than staying close to the group.

**Sun, 23 Jan** ♆ Neptune △ Trine ♄ natal Chiron

♁ NNode △ Trine ♂ natal Mars

**Mon, 24 Jan** ♄ Saturn ☌ Conjunction ♄ natal Saturn

**Tue, 25 Jan** Full Moon in Leo

**Sun, 30 Jan** ☿ Mercury enters ♒ Aquarius

♆ Neptune △ Trine ♄ natal Chiron

♁ NNode △ Trine ♂ natal Mars

*Mercury* in *Aquarius* brings **clearer, more direct communication** — people tend to say what they actually think instead of softening their words, which works well in meetings but can feel blunt in casual conversations. At work and in friendships, you'll notice **more focus on logic and ideas** rather than emotions, making this a good time for problem-solving but a trickier period if someone needs emotional support. *Aquarius* also pushes thinking toward the **bigger picture**, so conversations shift from daily complaints to plans, systems, and what-if scenarios that feel more interesting but less immediately practical.

**Mon, 31 Jan** ♁ NNode □ Square ♀ natal Venus
