KEY TRANSIT FACTORS

♊ NNode ☉ Opposition ☾ natal Moon · peak 1 Dec ★

Over the coming weeks, you feel **pulled between what makes you feel safe and what people around you actually need from you**. Your instinct is to retreat into familiar comfort, but others are asking you to show up differently, and ignoring them creates real tension in your relationships. This clash between your emotional habits and external demands won't resolve quickly, but it will force you to recognize which patterns no longer serve anyone.

♊ NNode ♂ Conjunction ♄ natal Uranus · peak 31 Dec ★

These days you feel a stronger pull toward **breaking your usual routines and trying something unconventional**. You might suddenly want to change how you work, spend time with different people, or reject habits that no longer feel right. This period pushes you to act on independence impulses that have been sitting quietly in the background.

♊ NNode ♂ Conjunction ☉ natal Sun · peak 1 Dec ★

Right now you feel **pulled toward doing things that matter to you personally**, even if they're not what others expect. You notice you care less about fitting in and more about showing up as yourself in conversations and decisions. Over the coming weeks, this shift might create friction in relationships where you've usually compromised, but it also clarifies what you actually want.

♂ Mars * Sextile ☉ natal Sun · peak 21 Dec ★

Right now you feel **naturally motivated to get things done** without pushing yourself too hard. Your confidence is steady, and you tackle practical tasks at work or home with clear direction and follow-through. This is an ideal window to start a project or commit to something you've been thinking about, because your actions line up with what actually matters to you.

♇ Pluto ☉ Opposition ♄ natal Saturn · peak 20 Dec

You're running into **hard limits on what you can control** right now, and it feels frustrating because the rules keep changing. Your usual strategies for staying organized and on top of things stop working, forcing you to admit where you've been rigid or out of touch with reality. Over the coming weeks, this friction between what you thought was solid and what's actually true will push you to rebuild your approach to work, responsibility, and how you manage your time.

♃ Jupiter ♁ Quincunx ♂ natal Mars · peak 4 Dec

Over the coming weeks, you may notice your usual drive and confidence don't quite match up with what's actually possible right now, leaving you **frustrated when plans don't move as fast as you want them to**. *Jupiter* is expanding your ambitions while *Mars* pushes for quick action, but the two are pulling in slightly different directions. You might waste energy on projects that start with excitement but need to be adjusted or abandoned halfway through.

♆ Neptune ☐ Square ♄ natal Uranus · peak 1 Dec

You feel torn between wanting to break free from something and being unable to see clearly what needs to change. Your impulse to rebel clashes with confusion about which direction actually makes sense, leaving you **restless and indecisive**. Over the coming weeks, small frustrations can pile up as you second-guess decisions you thought were final.

♋ NNode ☿ Conjunction ♋ natal NNode · peak 1 Dec

You feel drawn toward people and situations that align with what you actually want, rather than what you think you should want. Your social instincts sharpen right now, and you **notice which relationships and opportunities feel genuinely important** versus which ones drain you. Over the coming weeks, you're likely to make clearer choices about where you spend your time and energy.

♅ Pluto ☿ Quincunx ☾ natal Sun · peak 1 Dec

These days you feel pulled to change something about yourself or your life, but the direction isn't clear yet. You might notice **restlessness in how you present yourself** to others, or a sense that your usual way of handling things no longer fits. Over the coming weeks, small adjustments to your routine or how you assert yourself will feel more natural than any dramatic overhaul.

♃ Jupiter ☿ Opposition ♀ natal Venus · peak 1 Dec

Right now you're spending money and making commitments faster than usual, and you're not feeling satisfied no matter what you get. You might overextend yourself socially or financially because you keep thinking the next thing will finally feel like enough. This period pushes you to notice where you're using purchases or relationships to fill an emotional gap that actually needs something else.

♆ Neptune ☿ Quincunx ♃ natal Jupiter · peak 1 Dec

Over the coming weeks, you may find that your usual confidence about what's possible gets pulled in different directions, making it hard to commit to plans or decisions. You might notice yourself second-guessing opportunities that normally excite you, or feeling unclear about whether to expand something or hold back. These contradictions are temporary, and the practical thing to do is stay flexible and avoid locking yourself into major commitments while this lasts.

♄ Chiron ☿ Opposition ♆ natal Neptune · peak 31 Dec

Over the coming weeks, you become aware of ways you have been avoiding practical reality by retreating into fantasy or wishful thinking. Your usual escape routes stop working, and you feel **exposed and raw when you cannot slip away into daydreams**. This discomfort is real, but it is also pointing you toward the concrete problems you need to address instead of imagining them away.

♅ Uranus ☿ Quincunx ♆ natal Neptune · peak 31 Dec

Over the coming weeks, you may notice your usual routines feel less satisfying or believable than before. You might find yourself questioning plans you thought were solid, or feeling restless about commitments that once felt safe. This **disconnect between what you expect and what actually holds your attention** can make it hard to stick with anything for long, so building in flexibility rather than fighting the feeling works better right now.

♅ Uranus * Sextile ♀ natal Mercury · peak 1 Dec

Right now your mind is unusually **quick to spot patterns and make unexpected connections** between ideas that normally seem separate. You find yourself asking better questions in conversations and coming up with solutions that feel genuinely original rather than recycled. Over the coming weeks, this clarity gives you real confidence to speak up in meetings or try explaining something you've been hesitant to tackle before.

♋ NNode △ Trine ♃ natal Jupiter · peak 31 Dec

These days you're naturally drawn toward people and situations that expand your world in practical ways. You find yourself **saying yes to opportunities** that normally would feel risky, and they tend to work out because you're reading social situations more accurately than usual. This is a good window to pursue something you've been putting off — a conversation, a course, a connection — because your timing and judgment are genuinely sharper right now.

KEY DATES

Tue, 1 Dec ♆ Neptune □ Square ♂ natal Uranus

♊ NNode ♂ Conjunction ♋ natal NNode

♃ Jupiter ♋ Opposition ♀ natal Venus

♊ NNode ♋ Opposition ♃ natal Moon

♄ Chiron ♋ Opposition ♆ natal Neptune

Wed, 2 Dec ☿ Mercury enters ♐ Sagittarius

Mercury in *Sagittarius* brings **direct, blunt communication** — people say what they think without much filtering, which can clear the air or create awkward moments depending on who's listening. At work and in conversations, you'll notice **big-picture talk** taking over, with less patience for small details or nitpicking, so getting agreements in writing becomes more important. *Sagittarius* also pushes curiosity and debate, so **arguments stay friendly** longer than usual, even when people disagree strongly.

Sun, 13 Dec ♇ Pluto ♋ Opposition ♄ natal Saturn

Mon, 14 Dec ♆ Neptune □ Square ♂ natal Uranus

♊ NNode ♂ Conjunction ♋ natal NNode

Tue, 15 Dec New Moon in Sagittarius

Wed, 16 Dec ♀ Venus enters ♐ Sagittarius

♄ Chiron stations Direct

Venus in *Sagittarius* brings a **looser, more generous** approach to spending and dating, with people tending to say yes to invitations and expensive outings rather than staying home. In relationships and work, this transit makes **honesty and directness** feel more important than keeping the peace, so conversations become blunter and less filtered. Most people notice they **want variety** — sticking with the same restaurant, routine, or person feels boring — and they're more willing to try something unfamiliar or travel to a new place.

Thu, 17 Dec ♄ Saturn enters ♒ Aquarius

Saturn in *Aquarius* brings **stricter rules around technology and groups** — you'll notice workplaces tightening remote policies, friend groups becoming more formal, or apps adding new limits that feel annoying. In relationships and at work, people tend to **value loyalty and consistency** more heavily, so casual commitments matter less and long-term plans matter more. The pattern is that **innovation slows down** while things that already work get reinforced, so your best results come from improving what exists rather than starting something completely new.

Sun, 20 Dec ♃ Jupiter enters ♒ Aquarius

♇ Pluto ♋ Opposition ♄ natal Saturn

Jupiter in *Aquarius* tends to make people **more willing to try new approaches** at work and in groups, whether that means joining a club, backing an unconventional idea, or rethinking how teams operate. In relationships and friendships, this shift often brings a **looser, less controlling** energy—people generally care less about strict rules and more about what actually works for everyone involved. Over the next year or so, you'll probably notice **more optimism around technology, group projects, and independence**, with folks feeling freer to do their own thing rather than follow the usual script.

Mon, 21 Dec ☼ Sun enters ♑ Capricorn

☿ Mercury enters ♑ Capricorn

The Sun moving into *Capricorn* shifts focus toward **getting results** and **building something real** — you'll notice people around you tightening routines, setting deadlines, and cutting away what doesn't work. At work and in projects, there's a **push for efficiency** over comfort, so meetings get shorter, decisions happen faster, and people care less about feelings and more about the bottom line. In relationships and friendships, expect **less small talk** and more honest conversations about what actually matters — this is when people check in on whether things are moving forward or just stalling.
