KEY TRANSIT FACTORS

♄ Saturn △ Trine ☾ natal Moon ★

These days you find it easier to **stay calm when things go wrong**, because you're not getting swept up in panic the way you normally do. Your emotions feel more manageable and you can actually sit with difficult feelings instead of rushing to fix them or push them away. This stability gives you real space to think clearly about what you actually need, and people around you probably notice you're more grounded and reliable right now.

♂ Mars □ Square ☿ natal Mercury

Right now you're more **quick to argue and interrupt** without thinking through what you're about to say. Your impatience makes it harder to listen, so conversations turn combative when they don't need to be. Over the coming weeks, you'll notice this pattern most at work or with people who challenge your ideas, and stopping to take a breath before you speak will save you real conflicts.

♀ Venus qx Quincunx ♆ natal Neptune

Over the coming weeks, you may notice your romantic or social preferences shifting in ways that feel unclear to you. You might find yourself **attracted to people or situations that don't quite fit what you normally want**, leaving you uncertain about what you actually value right now. This confusion usually settles once the transit passes, so it helps to observe your attractions without making major relationship decisions while this lasts.

☾ Moon * Sextile ♀ natal Venus

While this lasts, you find it easier to express affection and say what you actually appreciate about people in your life. Your **warmth comes across naturally**, and others respond well to you without you having to try hard. These days are good ones to reach out to someone you care about or do something kind that you have been putting off.

♃ Jupiter ☉ Opposition ♋ natal NNode

Over the coming weeks, you're likely to **overcommit yourself** and take on more than you can realistically handle. Your usual sense of what fits your life gets temporarily skewed, and you end up saying yes to opportunities that pull you away from what actually matters to you. This period asks you to notice where you're spreading yourself too thin and to start saying no more often.

☉ Sun qx Quincunx ♆ Neptune

These days you might notice a gap between what you're trying to accomplish and what actually feels right to you. Your practical plans can feel oddly disconnected from your gut feelings, leaving you **uncertain about which direction to trust**. This mismatch between doing and feeling tends to make decision-making slower and more confusing than usual.

☉ Sun □ Square ♇ Pluto

Right now you feel **pushed to prove yourself** in ways that feel uncomfortable or unnecessary. Everyone around you seems more irritable, defensive, or bent on getting their way without compromise. This period brings out the part of you that resists being told what to do, and small conflicts can quickly turn into power struggles.

› Moon ♄ Conjunction ♃ Mars

These days you feel **more willing to act on what bothers you** instead of sitting with it quietly. Your emotions are running faster than usual, and you're more likely to speak up or make a move when something frustrates you. This is a practical time to tackle tasks that need direct energy, though it's also easier to react sharply if someone gets in your way.

LUNAR DAY

Moon in ♉ Taurus · Day 24 / 30 · Last Quarter

The pace slows considerably during this transit as comfort and familiar surroundings take priority over efficiency. Resistance to change hardens, and any disruption to routine tends to provoke stubborn pushback.
