KEY TRANSIT FACTORS

♃ Jupiter * Sextile ♀ natal Venus ★

These days you find it easier to say yes to social invitations and connect with people who matter to you. You feel **naturally generous** with your time and attention, which makes others want to be around you more. This period is ideal for deepening friendships, starting new relationships, or simply enjoying the company you keep without forcing anything.

♃ Jupiter △ Trine ♃ natal Jupiter

While this lasts, you feel naturally **confident in your own judgment**, and opportunities tend to show up without you forcing them. People respond well to you right now because you're genuinely relaxed about where things are headed. Over the coming weeks, trust your instincts about what's worth your time—your sense of what matters is especially clear.

♅ Uranus □ Square ♂ natal Mars

These days you feel **restless and impatient with normal routines**, and you're more likely to act on impulses without thinking through the consequences. Your usual way of handling frustration stops working, so small annoyances trigger bigger reactions than they should. Over the coming weeks, this mismatch between what you want to do right now and what you actually should do will create real practical problems if you don't stay aware of it.

♊ NNode ∠ Semi sextile ♁ natal Chiron

Over the coming weeks, you'll find it easier to **notice when someone else is struggling and know exactly what to say** without overthinking it. This natural gift for understanding pain in others comes from recognizing similar patterns in yourself, and right now that recognition flows smoothly instead of getting tangled up. People around you will feel genuinely heard by you during this period, and that simple act often helps them more than they expected.

☾ Moon □ Square ♁ natal Chiron

Right now your **emotional defences are getting poked**, and old hurts you thought you'd buried are coming back up. You're more irritable than usual and quicker to feel rejected, especially in conversations where someone disagrees with you or doesn't give you the reaction you wanted. These feelings will pass in a few days or weeks, but while this lasts you'll need to notice when you're snapping at people over small things instead of addressing what's actually bothering you underneath.

☉ Sun □ Square ☾ Moon

Right now your gut feelings and your sense of purpose are pulling in opposite directions. You might feel irritated with people close to you without knowing exactly why, or snap at someone when you meant to stay calm. This friction between what you want to do and what feels emotionally safe can push you to make real changes, but only if you stop and actually listen to both sides instead of just reacting.

☉ Sun △ Trine ♆ Neptune

These days you feel **more comfortable being yourself around others** without needing to explain or defend who you are. People respond better to you right now because you're relaxed enough to listen to what they actually need instead of pushing your own agenda. This period favors creative work, gentle conversations, and situations where you can help someone without it costing you anything.

☉ Sun ☿ Quincunx ♁ NNode

At the moment you are noticing a mismatch between what you want to do and what feels like the right direction to move in. You might find yourself **hesitating before making choices** because two parts of you are pulling slightly different ways. This isn't crisis or conflict—just an uncomfortable adjustment where you have to consciously decide which impulse to follow rather than acting on automatic.
