♊ North Node	in	♎ Libra	21°38'59"	V Rx
♁ Lilith	in	♋ Cancer	12°09'40"	II

## KEY TRANSIT FACTORS

### ♅ Uranus ☐ Square ♂ natal Mars

These days you feel **restless and impatient with normal routines**, and you're more likely to act on impulses without thinking through the consequences. Your usual way of handling frustration stops working, so small annoyances trigger bigger reactions than they should. Over the coming weeks, this mismatch between what you want to do right now and what you actually should do will create real practical problems if you don't stay aware of it.

### ☉ Sun ☐ Square ♆ natal Neptune

Right now you are **harder to pin down** — your priorities shift without warning and you struggle to follow through on what you said you would do. People around you get frustrated because you seem unreliable, when really you are just confused about what you actually want. These weeks are asking you to get clearer about your real goals instead of drifting between vague possibilities.

### ♆ Neptune \* Sextile ♁ natal Chiron

These days you find it easier to talk about things that have hurt you in the past without getting stuck in the story. You're **more willing to listen to others' pain** without trying to fix it or turn it into advice. This shift happens naturally right now, making conversations with people you care about feel more genuine and less exhausting.

### ♊ NNode ∟ Semi sextile ♁ natal Chiron

Over the coming weeks, you'll find it easier to **notice when someone else is struggling and know exactly what to say** without overthinking it. This natural gift for understanding pain in others comes from recognizing similar patterns in yourself, and right now that recognition flows smoothly instead of getting tangled up. People around you will feel genuinely heard by you during this period, and that simple act often helps them more than they expected.

### ☉ Sun ☐ Square ☉ natal Sun

Right now you're running up against your own limits in ways that feel uncomfortable and direct. You may notice yourself **pushing harder on goals that aren't moving**, or running into resistance from people who usually support you. This friction is real, not imaginary—your confidence is lower than usual, and small setbacks land harder, so this is a good time to slow down and reassess rather than force things forward.

### ☉ Sun ☐ Square ♄ Saturn

Right now you're running into real obstacles when you try to move forward with what you want. **You feel blocked by rules, other people's expectations, or your own self-doubt**, and pushing harder usually just makes things worse. The practical thing to do is slow down, check what's actually realistic, and accept that some goals need more time or a different approach.

### ☉ Sun ♂ Conjunction ♁ Chiron

At the moment, you're more aware of your own weak spots and how they show up in everyday life. You might feel less confident than usual, or notice old patterns of self-doubt coming up without much warning. This is actually useful because **you can see yourself more clearly right now** — the discomfort is pointing you toward something real that deserves attention.

### ☾ Moon ☿ Opposition ♿ Mercury

Right now your feelings and your thoughts are pulling in different directions, which makes it hard to say what you actually mean. You might feel upset about something but explain it in a way that sounds cold or defensive, so people don't understand what's really bothering you. This mismatch between what you feel and what you say creates **confusion in conversations**, and you'll likely need to circle back later to clear things up.

#### LUNAR DAY

Moon in ♏ Scorpio · Day 16 / 30 · Full Moon

**Psychological intensity rises** for the next 48 hours, and surface-level talk becomes noticeably less satisfying. People read into what others leave unsaid more than usual, and private matters feel more pressing.

#### CLOTHING & JEWELRY

Thursday · ♃ Jupiter · Venus in Pisces

Thursday is Jupiter's day — deep blue or royal indigo invites expansion and optimism. Amethyst worn as a ring or necklace supports wisdom and measured confidence.
