KEY TRANSIT FACTORS

♀ Venus ☐ Square ♇ natal Pluto ★

Right now you may feel drawn into relationships or situations where you want more control than is realistic, and you become frustrated or resentful when you cannot have it. Your **need to dominate or possess** shows up in your romantic life and friendships, creating tension with people who sense your intensity. Over the coming weeks, this pattern will likely push others away unless you notice it and step back from trying to reshape them.

♀ Venus △ Trine ♃ natal Jupiter

Over the coming weeks, you find it easier to feel **generous and optimistic** about what you have and what you want. People respond well to you right now because you come across as warm and genuinely interested in them. This is a good time to ask for what you need or to strengthen the relationships that matter most to you.

☉ Sun △ Trine ♃ natal Jupiter

Right now you find it easier to take reasonable risks and see possibilities instead of obstacles in your practical situations. You feel more confident in social settings and people respond well to your **natural optimism**, which makes conversations flow and opportunities show up. This period is ideal for pitching ideas, asking for what you want, or starting something new because your timing feels right and your judgment is solid.

☉ Sun ☐ Square ♇ natal Pluto

Right now you are **pushing hard against people or situations that feel controlling**, and this is likely to create real friction in your relationships and work. You may notice you are more irritable than usual, especially when someone challenges your authority or when you feel your independence is being threatened. Over the coming weeks, this friction will either force you to set clearer boundaries or lead you into unnecessary conflicts that exhaust you.

♁ Chiron qx Quincunx ♁ natal Chiron

Over the coming weeks, you might notice old hurts or tender spots suddenly feel awkward or misaligned in new situations. You're **reassessing how you've handled past pain**, and what worked before may not fit anymore. This mismatch can feel uncomfortable, but it's actually showing you where your coping strategies need to shift.

☉ Sun ☌ Conjunction ♀ Venus

These days you find it easier to ask for what you want and to say yes to invitations without overthinking. People around you respond well because you come across as **genuinely interested in them** rather than worried about how you look. This is a good window for making a request, starting a conversation you have been putting off, or simply enjoying company without the usual self-doubt getting in the way.

☉ Sun ☌ Conjunction ♁ Lilith

Right now you're more willing to speak up about what you actually want instead of what you think others expect from you. You might notice yourself saying no more often or pushing back against rules that feel unfair. This directness can create friction in some relationships, but it also clears the air by making your real position obvious.

› Moon * Sextile ♿ Mercury

These days your thoughts feel clearer and your feelings find words more easily than usual. You notice you can **explain what you're going through without getting stuck or defensive**, and other people seem to understand you better. This is a good time to have conversations that matter, because both your head and your heart are on the same team right now.
