KEY TRANSIT FACTORS

♁ Chiron △ Trine ☿ natal Mercury

You find it easier to talk about your own struggles and listen without judgment when others share theirs. Your conversations tend to be more honest and direct, and people seem to appreciate your **practical, grounded way of discussing difficult topics**. Over the coming weeks, this natural clarity helps you connect with people on a real level instead of staying stuck in surface talk.

☉ Sun □ Square ♂ natal Mars

Right now you're running into more friction than usual when you try to take action. People push back harder against your ideas, and you feel like you have to fight for things that normally come easily, which makes you **impatient and quick to argue**. These clashes aren't random — they're showing you where your confidence has gotten ahead of what you've actually prepared or thought through.

♇ Pluto □ Square ♄ natal Uranus

Right now you feel a strong urge to break free from something in your life, but the harder you push for change the more resistance you meet. You become **impatient with rules and frustrated by limits**, which can make you act rashly or damage relationships you actually want to keep. Over the coming weeks, focus on understanding what you really want to change before you make moves you cannot easily take back.

♁ Chiron □ Square ♀ natal Venus

You may feel rejected or inadequate in your relationships right now, picking up on small slights and interpreting them as proof that you're not lovable. Your usual warmth and charm feel blocked, making it harder to ask for what you want or to enjoy physical affection without second-guessing yourself. Over the coming weeks, this discomfort pushes you to stop abandoning your own needs in order to keep people happy.

♁ Chiron ♂ Opposition ♇ natal Pluto

Right now you are **confronting ways you control situations through fear or secrecy**, and it feels uncomfortable because someone or something is forcing you to see what you have been hiding from yourself. You may notice that your usual tactics for managing relationships or power no longer work, leaving you feeling exposed and defensive. These days it is worth sitting with this discomfort instead of retreating into old patterns, because what feels threatening right now is actually showing you where real change needs to happen.

☉ Sun □ Square ☾ Moon

Right now your gut feelings and your sense of purpose are pulling in opposite directions. You might feel irritated with people close to you without knowing exactly why, or snap at someone when you meant to stay calm. This friction between what you want to do and what feels emotionally safe can push you to make real changes, but only if you stop and actually listen to both sides instead of just reacting.

☉ Sun ♂ Conjunction ♿ Mercury

These days your mind feels clearer and you're more likely to speak up about what you actually think. **You say things more directly** and people tend to listen because you sound confident. This is a practical time to have conversations you've been putting off or to explain yourself without second-guessing every word.

☉ Sun ♂ Conjunction ♄ Saturn

Right now you are more aware of your own limits and what you actually need to do versus what you want to do. You become **more serious about your responsibilities** and less interested in shortcuts or excuses. This is a practical time to make concrete progress on something that matters, even if it feels slow or requires discipline.

LUNAR DAY

Moon in ♌ Leo · Day 23 / 30 · Last Quarter

The social atmosphere becomes more expressive these days, with people more willing to share opinions and put themselves forward. The need to feel appreciated surfaces in small ways — a slower response to criticism, a stronger preference for being noticed.
