KEY TRANSIT FACTORS

♀ Venus * Sextile ♃ natal Jupiter ★

Right now you find it easier to say yes to social invitations and to be generous with your time and money without feeling like you're overdoing it. People respond well to you these days because you're **more relaxed and approachable**, which opens doors in both your personal relationships and practical opportunities. This period is ideal for asking for what you want or pursuing something you've been putting off, since your confidence and optimism are naturally higher.

♀ Venus ☐ Square ♇ natal Pluto ★

Right now you may feel drawn into relationships or situations where you want more control than is realistic, and you become frustrated or resentful when you cannot have it. Your **need to dominate or possess** shows up in your romantic life and friendships, creating tension with people who sense your intensity. Over the coming weeks, this pattern will likely push others away unless you notice it and step back from trying to reshape them.

♀ Venus ∟ Semi sextile ☿ natal Mercury ★

Over the coming weeks, your conversations flow more easily and people respond well to what you say. You find yourself **speaking with more warmth and genuinely interested in what others think**, which makes them want to talk with you. This natural charm in how you communicate opens doors socially and professionally without you having to force anything.

☉ Sun ☿ Conjunction ♆ natal Neptune ★

Right now you're more **drawn to imagination and possibility than to facts**, which can make practical tasks feel boring or pointless. You might find yourself daydreaming at work, losing track of time, or making decisions based on how something feels rather than what actually makes sense. These few weeks are a good time to create or reflect, but a poor time to sign contracts or commit to concrete plans without checking the details twice.

☾ Moon * Sextile ♇ natal Pluto

Right now you find it easier to talk about things that usually feel too difficult or personal. Your **willingness to be honest** about what you actually feel creates real connection with the people around you. Over the coming weeks, this openness helps you work through old emotional patterns without getting stuck in them.

☉ Sun ☿ Conjunction ☾ Moon

These days you feel more **aligned between what you want and what you feel**. Your emotional needs and your sense of direction match up, so you act with fewer doubts and less second-guessing yourself. This is a practical advantage when you need to make a choice or move forward on something that matters to you.

☉ Sun ∟ Semi sextile ♄ Saturn

These days you find it easier to stick with practical commitments without feeling weighed down by them. **You can be disciplined and follow through** on plans while still enjoying the process instead of resenting it. The light touch between *Sun* and *Saturn* means your natural confidence supports your ability to work steadily toward real goals.

☉ Sun ∟ Semi sextile ☽ Uranus

These days you find it easier to **try something different without overthinking it**. Small changes feel natural right now, whether that's taking a new route to work or suggesting a fresh idea in a conversation. This mild alignment between *the Sun* and *Uranus* gives you just enough confidence to break routine without feeling reckless.

LUNAR DAY

Moon in ♒ Aquarius · Day 1 / 30 · New Moon

Emotional detachment increases these days, making abstract discussions and group concerns feel more engaging than personal ones. People respond better to logic than to feeling right now, and the need for independence runs noticeably higher.
